CAR EVENTS / EXCITEMENT

Many old cars live a wonderful life clean, waxed, and covered inside a nice garage, but the real excitement is seeing those cars at events.

MMOCC members and their cars have been attending many recent events, ranging from the traditional Capital Mall Cruise to Precision Machine and Xtreme Body and Paint tours to Osage Industries and Stark Caverns. I always think it is fun to see a string of old cars heading down the road or, better yet, being in a string of old cars headed down the road!

One very unique car event is THE GREAT RACE. Probably 10-15 years ago, THE GREAT RACE passed through Jefferson City, twice. The first time was an overnight stay and the second time was a lunch pit stop. Downtown Jefferson City was a buzz with old cars, chase teams, media, and local spectators.

This year, THE GREAT RACE traveled from Buffalo, New York to Halifax, Nova Scotia from June 23 to July 1. 150 cars participated and included a local entry fielded by the father and son team of Dan and Brad Epple in their 1916 Hudson Super Six Racer.

THE GREAT RACE is an antique, vintage, and collector car competitive controlled-speed endurance road rally on public highways. It is not a test of top speed. It is a test of a driver/navigator team's ability to follow precise course instructions and the car's (and team's) ability to endure on a cross-country trip. Extra points are gained for the age of the car.

The Epple's are giving us a tour of their hanger at the Jefferson City Airport on Thursday, July 26 at 6pm. Look for the brown fence. We will get to see their collection and learn more about THE GREAT RACE.

Events helps us realize that Old Cars are Cool!

Recorded Minutes to April 26, 2018 Mid Mo Old Car Club Meeting:

The meeting was held at Ken Braun's. The meeting was called to order, minutes of the prior meeting and the Treasurer's report were read and approved. The Scholarship committee report encouraged additional applicants as the application period nears its end. Upcoming cruises and events were discussed. The microphone was passed among members as they described new or ongoing projects. The meeting was adjourned to allow attendees to enjoy the wonderful food and setting. Thanks to the Brauns and all who helped make an enjoyable evening possible.

WANTED: Car Show Chair Trainee

Great opportunity to coordinate the Club's signature event.

Current Car Show Chairs, Mike and Connie Schaefer (who have done a fabulous job), indicate the 50th annual show (in 2019) will be their last as Chairs.

Seeking one or two members to learn the ropes in 2018 and 2019 and take over in 2020 and beyond.

Position requires time and effort, but has excellent mentors and willing MMOCC helpers.

Contact Connie at 573-690-5954 or Lyle at 573-291-7159 if interested.
