### **SWAPPING**

The MMOCC has had many fun and interesting recent events. We should be pleased with the NOT SO Great Race; tours of Osage Industries and Stark Caverns; visits to Xtreme and Precision Machine; and barbeques at Bandelier's and Braun's.

July had a very interesting meeting about The Great Race hosted by the Epples, featuring the only MMOCC meeting to be interrupted by a jet. The Epples have quite a hobby and lots of cool toys. The weather was great for Missouri in July.

Another great weather night was the Capital Mall Cruise in July where we could once again, swap stories. It was great to see so many MMOCC folks out that night.

There are several upcoming car events where we plan to meet and carpool together. This always gives comfort driving an old car when there are others to help, if anyone has problems. Check out the list of events and meetings later in the newsletter. Rolla, Versailles, Westphalia, and Chamois are coming up fast.

At our Thursday, August 23rd meeting, we will be SWAPPING... both stuff and stories, so bring out your items for sale and trade, in addition to your wants and needs. Wes and Betty Scott host a great event, with good food, as we swap stories about old cars. Come when you can, but swapping starts at 4pm with meal about 5:30pm.

### **Recorded Minutes to July 26, 2018 Mid Mo Old Car Club Meeting:**

The meeting was held at the Epple hangar at JC Airport. The meeting was called to order, minutes of the prior meeting and the Treasurer's report were tabled to allow more time for presentation. The Car Show committee reminded us of the September 15 cutoff for sponsors, and that volunteers should assume the same work assignments as last year. Upcoming cruises and events were discussed. Our hosts then informed us of their experiences with The Great Race. The meeting was adjourned. Thanks to the Epples and all who helped make an enjoyable evening possible.

## 2018 "TRUNK SWAP"

The Aug. meeting will be a "TRUNK SWAP" Thursday Aug. 23, 2018 at Wes and Betty Scott's garage located at 7311 Old Bass Rd. SW of Brazito. Rain or shine we will have a "TRUNK SWAP". If it rains or is too hot bring your stuff in a box and we will have the swap in the garage. We will start swapping about 4:00, eat about 5:30 or 6:00, and have a short meeting after we eat then back to swapping if you want. Don't bring any food just bring swap stuff and maybe a chair. Members of the Model A Club and the v/8 Club are invited to bring swap stuff and eat with us again this year. Last year we had about 40 trunk and truck loads of stuff to sell. We can beat that number if everyone brings something. Car related or not throw something in the trunk and come to the "Trunk Swap". To get to Wes and Betty's from Jefferson City, take Hwy. 54 1.3 miles past Brazito and turn right on Old Bass Rd. Take Old Bass Rd. 1.3 miles and their house is on the left. Swappers get reserved parking in the yard and around the garage. Even if you think you don't have anything to swap look hard and bring a few items to swap. Old car related stuff is best but bring anything you want. The women are encouraged to bring swap stuff too. We can make this a big success like last year if everyone brings something. Call Wes at 573 694-9221 if you have questions.

**Looking ahead to future events, check out the calendar on this month's newsletter.**

**WANTED: Car Show Chair Trainee**

Great opportunity to coordinate the Club's signature event.

Current Car Show Chairs, Mike and Connie Schaefer (who have done a fabulous job), indicate the 50<sup>th</sup> annual show (in 2019) will be their last as Chairs.

Seeking one or two members to learn the ropes in 2018 and 2019 and take over in 2020 and beyond.

Position requires time and effort, but has excellent mentors and willing MMOCC helpers.

Contact Connie at 573-690-5954 or Lyle at 573-291-7159 if interested.
