## **Presidents comments:**

### **FLASHBACK!**

To some degree, we all like to reminisce. I like reading about history, watching documentaries, looking through photo albums, and remembering the past. Old cars are a lot about reminiscing as they let us truly experience history. As you can attest, more than one person has come up to you at a car event saying, "I had one of those back in the day or my mom drove that model."

As we reflect, what a year we can reminisce about! 2018 was good for the Club with a variety of activities and a very successful car show. The Club tried to provide a variety of activities and 2018 included the always popular New Year's Day Cruise, a cave tour, several swap meets, two road rallies, tech sessions, barbeques/chili/food, multiple shop tours (Xtreme, Bo's Hollow, Precision Machine), and other fun events like displaying our cars at the showing of Grease and learning about the Great Race as a jet passed by on the taxi-way.

Activities were on different nights, times, days of the week, seasons of the year, and, hopefully, appealed to many members. If there is something you want to do again or have a suggestion for 2019, talk it up and let us know! Plans are in the works for 2019, but we would appreciate your input. If you have a great idea, we would also welcome your organizational skills for that event, so don't be bashful.

Reminiscing helps prove Old Cars are Cool!

No November meeting, but the December event we will continue to reminisce at the Mid Mo Old Car Club HOLIDAY CELEBRATION at the American Legion at 1423 Tanner Bridge Road on Thursday, December 13 with social beginning at 5:30pm and dinner at 6pm. A signup sheet went around at the October meeting, but if you did not sign up, email Lyle at [lrosburg@hotmail.com](mailto:lrosburg@hotmail.com) or call 573-291-7159 to RSVP you and your guest.

**At the Holiday Celebration, bring a wrapped gift for the "rob your neighbor" gift exchange.**

### **Recorded Minutes to October 25, 2018 Mid Mo Old Car Club Meeting:**

The meeting was held at Governor Motor and called to order by Pres. Lyle Rosburg. Reference was made to the minutes of last month's meeting and the Treasurer gave his report. Committee reports followed. This year's car show was discussed along with suggestions for future years. A motion was made and approved to permit Bob Brandt to purchase a sound system for future car shows. We were reminded no meeting would be held in November. The meeting was adjourned. **BIG Thanks Ricky Mendez** for allowing us to meet and providing a fantastic spread.

**It is with great sadness that we report the passing of two long time club members:**

**Robert Allen "Bob" Robison**, 87, of Jefferson City, passed away Thursday, October 25, 2018. Bob enthusiastically worked on old cars. He proudly owned a 1931 Model A Ford coupe and a 1955 Chevy Bel-Air sport coupe. In addition to being a member of the Mid-MO Old Car Club, he was also a member of the Mid Missouri Model A Ford Club, the National Model A Restorer's Club and served as a judge in fine point automotive contests. Bob recently participated in the Honor Flight program, travelling to Washington D.C. to visit the memorials dedicated to honor the service and sacrifices of our veterans. Bob served in the United States Navy from 1950-1954 covering the period of the Korean Conflict. Bob's survivors include his wife Bonnie--they were blessed with sixty-two years of marriage together; four sons, Robert (Elizabeth) Robison, Jr., Chesterfield, Missouri; James (Kimberly) Robison, Germantown, Tennessee; Donald (Jana) Robison, Wildwood, Missouri; Ronald (Amy) Robison, LaGrange, Kentucky; and eleven grandchildren.

**Linda Slanker**, age 70, of California, Mo., died on Halloween, October 31, 2018. Linda started and initially funded the Mid-Mo Old Car Club Scholarship Fund, which has done very well the past eight years. Linda and Todd Slanker were married in London, England in 1994. Linda was an avid fisher-person, deer hunter and she was loved by her dogs. She also rode her Harley Davidson throughout the country. She was extremely well-traveled in Europe. Linda spent her adult life helping and doing for others. Linda was a friend of Bill W. for 36 years. She is survived by a sister, Sonjia Grotewiel; a daughter, Dr. Jamee Hubbard; and two grandsons. Jamee is an entomology professor at the University of Wisconsin. Suggested memorial contributions to: Mid-Mo Old Car Club Scholarship Fund, P.O. Box 1594, Jefferson City, MO 65102.

**WANTED: Car Show Chair Trainee**

Great opportunity to coordinate the Club's signature event.

Current Car Show Chairs, Mike and Connie Schaefer (who have done a fabulous job), indicate the 50<sup>th</sup> annual show (in 2019) will be their last as Chairs.

Seeking one or two members to learn the ropes in 2018 and 2019 and take over in 2020 and beyond.

Position requires time and effort, but has excellent mentors and willing MMOCC helpers.

Contact Connie at 573-690-5954 or Lyle at 573-291-7159 if interested.
