## STUFF

At the March meeting, we had lots of STUFF!

As I reviewed our brainstorming session from January 2018, I was amazed at how much STUFF we could check off the list. Recent MMOCC adventures have included Buffing and Polishing Tech Session (by our own Bob Peitzmeyer); tour of Xtreme Body and Paint where they talked, not only cars, but powder coating; Precision Machine tour (led by our own Brian Hager); trips to Bo's Hollow (prompted by Brent Scott) and Stark Caverns in Eldon; Folk Fall Colors Tour; Chamois Days Parade (coordinated by Billy Bonnot); St. Patrick's Parade; Ice Cream 4 Ice Cream Cruise In; Tube Radio Tech Session (by our own Jack Boswell); The Great Race session; Bondo and Braun Bar-be-ques; and many more!

MMOCC has lots of upcoming STUFF, including Capital Mall Cruise In on April 27; Ice Cream 4 Ice Cream Cruise on April 28; Salute to Veterans Parade in Jefferson City on May 27; Cole County Sheriff's Barbeque old car display on June 4; a Cruise to Cuba (MO) on June 22 to include the Cuba Murals, Wagon Wheel Motel, and the Drive In Theater; Sonic Summer Nights in Versailles on July 20; Wes Scott Swap on August 22 where you can get rid of and pick up more STUFF; Ozark Ham and Turkey Festival in California (MO) on September 21; MMOCC Holiday Party at the American Legion on Tuesday, December 3; and the 2020 New Year's Day Cruise on January 1, 2020.

Also at the March meeting, we auctioned off lots of cool STUFF including Model A parts, printed material, taillights, puzzles, tools, and such. Thanks to everyone that brought, bought, and donated. In total, we raised over \$500 for the Scholarship Fund!

April 25 meeting at 6pm at Cole County Sheriff's Department Classroom with \$5 pizza and speakers Andrew Delleart – Missouri Department of Revenue Vehicle Investigator and Ryan Rice – Missouri State Highway Patrol MVI Inspector. Ask your questions about titles and licenses, how to register your rebuilt car, hear stories about auto shenanigans, what you should watch out for, what to report, etc.

## The Grills of the Adam-12 TV Show.

*Adam-12* is a television police procedural drama that follows Los Angeles Police Department (LAPD) officers Pete Malloy and Jim Reed as they ride the streets of Los Angeles in their patrol unit, 1-Adam-12.

The series was created by Robert A. Cinader and Jack Webb, the latter of whom also created *Dragnet*. It starred Martin Milner and Kent McCord and purported to realistically capture a typical day in the life of police officers. The show ran from September 21, 1968 through May 20, 1975 and helped to introduce police procedures and jargon to the general public in the United States.

## TODAY IS THE DAY HISTORY WILL KNOW AS G-DAY

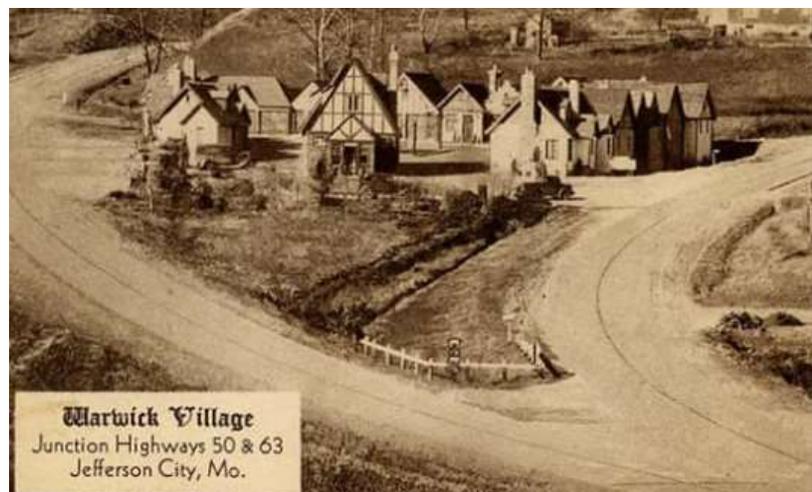

This is April 1, 1970. But more importantly, this is the day we introduce the 1970 Gremlin from American Motors. Break out the hats and horns. Gremlin is the car this country has needed for 18 years. It's a car that's fun to drive and ride in and easy to look at. It's only 2 1/2 inches longer than the bus. But it's almost 10 inches wider and 800 pounds heavier. There's a 128 hp proved engine (compared to VW's 57 hpi) that commands 23 miles from a gallon of regular gas. Predictably, Gremlin will call a halt to foreign infiltration. We encourage you to assault our showrooms and arm yourself with a Gremlin.

If you do, you'll never forget April 1, 1970, as G-Day . . . the day we turned them back in the streets and beat them at their own game on the freeways.

Up the Gremlin.
