CAR SHOW * CAR SHOW * CAR SHOW

The MMOCC Signature Event celebrates its 50th Mid Mo Old Car Roundup and Show AND YOU NEED TO BE THERE with your car, your time, and your talents. The MMOCC provides a lot of great entertainment, tours, topics, support, and networking and the MMOCC asks for so little in return... but the CAR SHOW is one of those times you need to help.

History by Wes Scott: The Mid Mo Old Car Club was founded May 3, 1971 by 36 old car fans that had met a month earlier at an Old Car Round-Up held at the Montgomery Ward's parking lot on Missouri Boulevard. Current members Donald Weber, Larry Rademan, Roger Hager, and Wes Scott were among these charter members.

The 1971 Round Up has always been considered the 2nd annual round-up since one Round-Up had been held before the Club was formed. This 1st Round-Up was held October 25, 1970 at the Montgomery Ward's parking lot and Donald Weber said he was there with his newly restored Model A Ford. By 1972 the Round Up included judging and trophies.

The MMOCC Round-Up and Show was moved to the south side of the Capitol in about 1975 and to High Street, a couple years later. It was moved to the 600 block of East High Street in about 2007 and to Old Munichberg in 2009.

In the early years of the Club, the car show also included an awards banquet held in the evening at places like the Missouri Hotel and Governor Hotel.

At the Thursday, September 26, 6pm meeting, at the Carpenter's Hall at Broadway and Dunklin in Jefferson City, we will cover the final details for the 50th MMOCC Car Show. With construction on Broadway and on Dunklin, what we have done in the past, may get modified for this year and, potentially, future years. You can be part of those changes.

Volunteers have been assigned duties, but we can always rotate you in to give the others a break. Please attend the Thursday meeting and arrive early on Saturday, September 28 to help.

The MMOCC Car Show proves Old Cars are Cool!

MMOCC Outing Planned for Saturday, October 19

If you see a beach, the ocean sky and stars, you either have the mind of an artist or you need a vacation...

It is actually the bottom of a car door that needs fixing!
