

1st ANNUAL. "COVID-19 SOCIAL DISTANCING" POKER CHIP RUN

JUNE 20, 2020

The original course for the poker chip run was going to be called "Let's Go To Church" as we would stop at 4 churches in small towns but I couldn't get permission from 3 of the churches because of the Covid-19 and they have a strict policy of social distancing and groups no larger than 10. So we have a new course. Hope you like it.

Meet at Capital Mall parking lot where the cruise-in is usually held at 9:00 AM. Leave at 9:30

The rules are pretty simple. At each checkpoint stop; each driver will draw 3 chips from a bag. The number and color of the chips will be recorded on a spreadsheet. At the last stop, 3 chips, one of each color, will be drawn from the bag. The first chip will be worth 20 points, the second chip 10 points and the third chip worth 5 points. The number of the colored chips will be tallied and multiplied by the points of each colored chip for each driver. There may be a prize for the driver with the most points.

Please remember to practice social distancing and use hand sanitizer.

DIRECTIONS:

Leave the mall parking lot by turning right onto Country Club Drive
Continue straight through the stop lights on Country Club Drive
At the stop sign turn right onto Business 50 West 1.8 miles
