

District 10 Umpire Consultant Roles & Responsibilities

Overview

This document outlines the roles & responsibilities for the volunteer umpire position in District 10. This role directly reports to the District 10 Umpire-in-Chief (UIC) and partners with the UIC to ensure adequate coverage for umpires at post-season tournaments. This critical role is invaluable in ensuring District 10 provides an incredible experience for players, coaches, and parents while playing in post season.

Umpire Consultant Positions

The umpire consultant position is assigned at every division of District 10 Little League baseball & softball (excludes challenger). For some divisions (e.g. teen), the consultant may serve over multiple divisions.

Umpire Consultant Responsibilities:

- Develop volunteer list(s) of qualified umpires worthy of post-season assignments
- Plan and schedule volunteer umpires for games in the divisions of your responsibility with a minimal umpire count of 2 for each game
- Participate in mandatory Post-season meetings

Tournament & Game Day Responsibilities:

- Develop schedule of umpires for 2-man, 3-man, or 4-man for every tournament game within their divisions
- Recruit & contact worthy volunteer umpires and get umpires signed up for every game in your tournament for your division
- Communicate with schedule umpires of any schedule changes or weather conditions impacting the tournament schedule
- Ensure umpires are communicate on proper umpire attire to wear for games for post-season
- Assign crew chief for every game of your tournament
- Communicate pre & post game details as required for purposes of ensuring crew is ready for little league game
- Partner with the tournament director in any situation whereby protest may occur and drive to resolution
- Provide feedback & improvement areas for umpires post-game and assess umpires for additional games if warranted
