TRIALS

We offer a free trial week to new students to classes with spaces when we open in 2027.

During this trial week if a parent intends to stay they are most welcome to wait in the waiting room and we will switch on our screen for your viewing.

This screen is only used when there is a new trial student in class and is just to give a general idea of the class and whether your little dancer is participating and the sort of work they do. It is on a permanent setting that switches between the blue studio and the pink studio giving parents approx. half of the class to view. Please do not take photos or videos of this screen it is purely for you to see if your child is participating and how the class generally runs.

After the free trial week we only conduct Parent Viewing week on the last week of Term in Term 1 & Term 2 – during these weeks we invite parents into the room for the last half of every class. During this time you can take some photos and videos – Ready Set Dance is a licenced program so there is strict conditions on what can be videoed and what cannot so you will be advised when you can film.

We do not hold parent viewing in Term 3 due to other studio events.

In Term 4 we hold Parent Viewing in Week 10 for our Ready Set Dance parents to come into the classroom for some show and tell! We will only show things that can be videoed during this time! Please ensure full uniform is worn on this day so that it can be shared and tagged!
