Black-Out dates are as accurate as possible. These dates currently are completely based off what they should have been in 2022. Unfortunately some eisteddfods are not organized until closer to the date and we have to guess based on their last year's dates etc. some may fall outside of this and because of allowing too many entries some may have to run a day or two over. This will just be a wait and see thing with some eisteddfods, but for the most part it should be correct.

We will continue to update you as the information becomes available to us.

Only one Eisteddfod can fall on school days. It may require a morning/afternoon or day off school. We will not participate in this eisteddfod if it requires multiple days off school.

We block off for five Eisteddfods however squads only participate in between three to five.... some will enter and will only participate in what doesn't clash etc.

We are aiming for four Eisteddfods in the 2022 Season not including NZ Trip.
