### Get A Better-Behaved Dog Quickly with our structured Day Training and Play Time.

We help dog owners get the best possible manners from their dogs. Does your dog's unruly behavior seem impossible to change? All dogs at any age can learn good manners, and yours is no exception. We use positive, and fun games to change behavior quickly.

Drop off your dog for a full or 1/2 day training or take advantage of our board and train program with our neighbor Camp Happy Hound. We accept dogs on a case by case basis. Call for details at: 704 721 6757 or email [k9capers@gmail.com](mailto:k9capers@gmail.com)

## How Day School works

**Day School is:** A fast, effective way to get a well-behaved dog. We do the training for you, then show you how to keep your dog's improved manners from slipping.

**How it works:** You drop your dog off at our training facility 1-2 times per week for a full or half a day's intensive training, exercise and play. Total number of weeks depends on your training goals, but a 10-day package is typical.

Wednesday: 8:00 am-4:30pm.

### Our Methodology

At K-9 Capers Dog Training Academy, we specialize in effective, positive reinforcement training for the family dog. Our goal is to help your dog become a well-behaved companion and family member by using dog friendly, positive training methods.

We're certified professional dog trainers that use clickers, which means we use the sound of a clicker as our communication tool to let the dog know they've just done the right thing instead of the use of punishment. Rewards are food, praise, toys or something fun.
