Christmas is a great time for planning, sharing and celebrating with family and friends like you!

As some of you may know, we have expanded our training programs and services to include our military veterans by providing service dog training, and will soon have a trained dog to graduate and will be placed with a qualified veteran in early 2024 time frame.

We also are adopting the DAV (Disabled American Veterans) [www.DAV.org](http://www.DAV.org) at our local Concord Chapter by providing canned goods and personal care packs for the veterans as well as the homeless veterans. We have 4000 veterans in the area and over 400 that are part of our local DAV! If you can help, please drop off your items at our office by Dec. 15th.
