

**NEW TIME! Tuesday Nights 6PM-- Puppy Development Class
(8 weeks - 20 Weeks)**

Requirements: Must have at least 1 set of vaccines from a licensed Veterinarian (breeder records not accepted) with a 7 day wait period before starting.

Purpose of the class: Young puppies have a very short socialization window that is believed to close by around 16 weeks. This class addresses the importance of the developing senses of a puppy with positive associations to sounds, smells, textures and new and novel items by introducing your pup to people, animals, objects, obstacles and more in a clean environment. This is particularly important for service dogs and therapy dogs, but plays a significant role in the pet dog as well.

Prices: 1 class for \$30 each or 4 pack for \$100 or 6 pack for \$120. May apply unused portions to next level -*May use in any order, however, if 2 classes are missed in a row, you need to re-register for class for the roster to be balanced.* Payments are good for 90 days from purchase on any training classes, workshop or private lessons. NO REFUNDS

Dates: Open Enrollment - **Closed major holidays 6 PM EVERY TUESDAY NIGHT!**
Starts July 5th 2022
