Where the Park Authority receives an application and is satisfied that the application is complete, and the erection, alteration, repair, demolition, removal or relocation of any building, erection or structure, or the making of any excavation complies with the requirements of Section (62), the Park Authority may issue a permit in Form B and return one set of submitted plans to the applicant.

66. Additional fees for the erection, placement, construction, alteration, repair, renovation or reconstruction of all buildings shall be charged to the leaseholder as imposed by the building inspector.

67. Whenever any work for which a permit is required has commenced without the authorization of such a permit, a surcharge of 10% of the permit fee or \$50, whichever is higher, may be charged in addition to the permit fees.

68. Subject to Section (62), the Park Authority may impose any terms and conditions on the building permit that the Park Authority considers appropriate, including prescribing the type, style, location, design and size of building and other structures to be erected or placed on park land and the material of which they are to consist.

General

69. No owner or owner's agent shall work or authorize work or allow work to proceed on a project for which a permit is required unless a valid permit exists for the work to be done.

70. Without the prior written consent of the Park Authority, no person shall construct more than one dwelling on any lot.

71. No person shall construct any building or structure:

- a) Within a minimum of three feet of the front portion base of the building closest to the road; and
- b) Within a minimum of three feet from the base of the building to other boundaries of any lot.

Obligations of the Owner

72. Every owner is responsible to obtain all required permits and approvals prior to commencement of the work to which they relate.

73. No person shall occupy a building until it has been approved for occupancy by the building official.

74. It shall be the responsibility of the owner to ensure that changes in ground elevations or changes in property lines will not bring the building or an adjacent building into contravention of this bylaw.

75. It shall be the responsibility of the owner to arrange for all permits, inspections, and certifications required by other applicable Acts and regulations.

Building Inspections

76. Pursuant to Section 16(1)(a) of the Act, the building official may, at its discretion, inspect any building in the local authority at any time during any reasonable hour of the day.

77. Inspections may include, but shall not be limited to:

- a) Foundation inspection;
- b) Framing inspection;
- c) Final inspection;
- d) Basement development pre-inspection; and
- e) Pre-move inspection.

78. For all building or structures requiring a permit, the owner, or its authorized agent, shall be required to notify the building official at least 24 hours in advance of the following:

- a) when the foundation is ready to be poured;
- b) prior to backfill;
- c) when a superstructure is to be placed on the foundation;
- d) when the building is ready for a framing inspection;
- e) when the building is substantially completed and prior to occupancy.

79. The building official may require additional inspections at any time throughout the construction project.

80. Final Inspection and Approval for Occupancy:

a) A building shall not be approved for occupancy until the local authority is satisfied that all outstanding infractions, as noted on the building official's final inspection report, have been corrected.

81. Subject to Section 81 and 82, no person shall develop, erect, alter, demolish, remove or relocate any building or structure on any park land that is registered with a land titles office as being public reserve, or on or along the banks or shores, or in the water of any lake within, or adjacent to park land, which is public reserve as registered by Plan or Survey.

82. Any person wishing to develop, erect, alter, demolish, remove or relocate any building or structure on any park land that is public reserve, as registered by Plan of Survey, or on or along the banks or shores or in the water of any lake within or adjacent to park land must apply to the Department of Environment and Resource Management (or other title, as designated from time to time) for a permit from the appropriate agency.

83. Where the Department of Environment and Resource Management (or other title as designated from time to time) receives an application pursuant to Section 81, and is satisfied that the application is complete, and complies with The Uniform Building and Accessibility Standards Act, the Department of Environment and Resource Management (or other title as designated from time to time) may issue a permit, and impose any terms and conditions on the permit that may be considered appropriate.

84. Any person who receives a permit pursuant to Section 62, must comply with all regulations in the Uniform Building and Accessibility Standards Act, The Canadian Electrical Code, and the Saskatchewan Supplement to the Canadian Electrical Code, the Health Act, and any Act of the Province of Saskatchewan, and any Act of the Parliament of Canada that relate to the project the permit holder is undertaking.

85. Any person who has been issued a permit must present the permit for inspection upon request by a Park Officer, Peace Officer, Conservation Officer, Police Officer, Health Inspector, Electrical Inspector, Building Inspector or any other person, who, within the range of their duty, requests the permit be presented.

86. Every person who maintains a building or structure on park land shall maintain the building or structure:

- a) in a reasonable state of repair; and
- b) in a clean safe, and satisfactory state.

87.

- a) Where, in the opinion of the Park Authority, an existing building or structure does not comply with Section 64, and the Park Authority gives written notice to the person(s) who is responsible for the

building or structure, specifying the defects of the building or structure and the time within which the defects are to be corrected, the person(s) shall immediately remove, pull down, or put the building or structure into a condition satisfactory to the Park Authority.

- b) Where the person fails to correct the defects in the manner described in Subsection (a), within the time prescribed by the Park Authority, the Park Authority may carry out the powers it has in its Lease Agreement with the building or structure owner, or may contact the Provincial Department(s) concerned to deal with the building or structure.

Demolition or Removal Permits

88. The fee for a permit to demolish or remove a building or structure shall be \$ 25.00.

89. In addition, the applicant shall deposit with the local authority the sum of \$1500 in the form of certified cheque or cash to cover the cost of restoring the site after the building has been demolished or removed to such condition that it is, in the opinion of the local authority or its authorized representative, not dangerous to public safety. Restoration of the site shall include the removal of all cement from said premises. If the applicant who demolishes or removed the building restores the site to a condition satisfactory to the Council or its authorized representative, the sum deposited, or portion thereof shall be refunded.

90. Every application for a permit to demolish or remove a building or structure shall be in Form C.

91. Where a building is to be demolished and the local authority or its authorized representative is satisfied that there are no debts or lease fees with respect to the building or land on which the building is situated, the local authority, upon receipt of the fee and deposit prescribed, shall issue a permit for the demolition in Form D.

92. Where a building is to be removed from the local authority, and the local authority or its authorized representative is satisfied that there are no debts or lease fees outstanding with respect to the building or land on which the building is situated, the local authority, upon receipt of the fee and deposit prescribed, shall issue a permit for the removal in Form D.

93. Where a building is to be removed from its site and set upon another site in the local authority, and the local authority or its authorized representative is satisfied that there are no debts or taxes in arrears or taxes outstanding with respect to the building or land on which the building is situated, and the building when placed on its new site and completed, to the best of the knowledge of the local authority or its authorized representative, will conform with the requirements of this

bylaw, the local authority, upon receipt of the fee and deposit prescribed, shall issue a permit for the removal in Form D.

94. In addition, the local authority, upon receipt of the fee prescribed in Section 92, shall issue a permit for the placement of the building in Form B.

95. All permits issued under this section expire six months from the date of issue except that a permit may be renewed for six months upon written application to the local authority.

Enforcement of Bylaw

96. If any building or part thereof or addition thereto is constructed, erected, placed, altered, repaired, renovated or reconstructed in contravention of any provision of this bylaw, the local authority or its authorized representative may take any measures as permitted by Part V of the Act for the purpose of ensuring compliance with this bylaw including, but not limited to:

- a) entering a building,
- b) ordering production of documents, tests, certificates, etc. relating to a building,
- c) taking material samples,
- d) issuing notices to owners that order actions within a prescribed time,
- e) eliminating unsafe conditions,
- f) completing actions, upon an owner's non-compliance with an order, and adding the expenses incurred to the tax payable on the property, and
- g) obtaining restraining orders.

97. If any building, or part thereof, is in an unsafe condition due to its faulty construction, dilapidated state, abandonment, open or unguarded condition or any other reason, the local authority or its authorized representative may take any measures allowed by Section 95.

98. The owner of a building for which a permit has been issued or for which actions are being taken in compliance with an order shall give notice in writing to the local authority as required in Section 17.2 of the Act including, but not limited to:

- a) on start, progress and completion of construction,
- b) of change in ownership prior to completion of construction, and
- c) of intended partial occupancy prior to completion of construction.

Penalty

99. Any person who contravenes any of the provisions of this bylaw shall be liable to the penalties provided in Section 22 of the Act.

100. Conviction of a person or corporation for breach of any provision of this bylaw shall not relieve him from compliance therewith.

SEWER AND SEPTIC

101. Without the prior written consent of the Park Authority, no person shall have a privy pit or make a connection on park land with:

- a) a water main or sewer main;
- b) a water pipe connected to a water main; or
- c) a sewer pipe connected to a sewer main.

102.

- a) Without the prior written consent of the Park Authority, no person occupying or operating a dwelling or public facility on park land shall fail to have a septic tank or sewage system.
- b) Without the prior written consent of the Park Authority, no person shall install on park land a septic tank or sewage system.
- c) A person who wishes to do a thing mentioned in Subsection (b) shall apply in writing to the Park Authority.
- d) An application pursuant to Subsection (c) is to include:
 - i) detailed drawings of the proposed installations, and
 - ii) evidence satisfactory to the Park Authority that:
 - (1) the applicant is competent to make the proposed installation; and
 - (2) the plans for the septic tank or sewage system have been approved by all appropriate government departments including, but not limited to:
 - (a) the Department of Health;
 - (b) the Saskatchewan Water Corporation, or
 - (c) the Department of Environment and Public Safety; as the case may require.
- e) Where the Park Authority receives an application pursuant to Subsection (c) and is satisfied that it is complete, the Park Authority may give their consent.
- f) The Park Authority may impose any terms and conditions on a consent that the Park Authority considers appropriate.

- g) No person shall fail to comply with any terms or conditions imposed on a consent.

LEASES

103.

- a) The Park Authority may require any lessee or permittee to pay such annual charges or rates as may be necessary to pay for services, local improvements and capital development costs for a subdivision in the park.
- b) When the annual lot rentals provided by the lease are subject to revision at one year intervals, the Park Authority may incorporate the charges or rates provided in Subsection (a) into annual lot rentals payable under the lease.
- c) In the event of non-compliance with specific lease conditions or in the event of voluntary surrender of the lease, the Park Authority may retain, out of such capital charges as may have been paid in accordance with Subsection (a), outstanding lease rental or service charges or such amount as the Park Authority may determine.
- d) Lease fees are payable on due date. Failure to comply will result in interest charges being applied and must be paid in full prior to December 31st of the current year, or legal action may be taken.

104.

- a) A Park Officer may enter upon the property, which is the subject of the lease, and inspect the exterior of any building structure or work, or any part thereof, of any kind in the Park, and may require or order the proper maintenance or repair of any such building, structure or work to be made by the lessee or permittee.
- b) Should circumstances warrant further inspection, the Park Officer shall contact the Provincial Department concerned to carry out that inspection.

105. The Migratory Birds Convention Act, The Wildlife Act, the Fisheries Act, The Prairie and Forest Fires Act and all other Acts governing renewable and natural resources in Saskatchewan, and all regulations thereunder, shall apply to and have full force and effect in the park unless otherwise provided.

FIREAMS

106.

- a) Subject to the Wildlife Act, no person shall, without a special permit from the Minister,
- i) hunt, poison, molest or disturb any wildlife within;
- ii) destroy or alter any wildlife habitat within;

<p>iii) carry, possess or discharge any firearm, or firecracker over, a Regional park.</p> <p>b) Notwithstanding Subsection (a), a person who is passing through park land may carry firearm if they are:</p> <p>i) encased or sealed in such a way that they are not readily available.</p> <p>107. For the purpose of controlling nuisance animals in the park, the Park Authority shall request from the Minister, that a SPECIAL PERMIT be issued to a person(s), allowing that person(s) to use a firearm in the Park for the purpose of controlling nuisance animals within the park.</p> <p>108. Section 106 does not apply to a person(s) who, UPON REQUEST FROM THE PARK AUTHORITY, has been issued a SPECIAL PERMIT, by the Minister, to use a firearm for the purpose of controlling nuisance wildlife within the Park.</p> <p>109. Any person who has been issued a SPECIAL PERMIT for the purpose of controlling nuisance wildlife within the Park must:</p> <p>a) comply with all conditions of the permit;</p> <p>b) present the permit for inspection upon request by a Park Officer, Peace Officer, Police Officer, or Conservation Officer.</p> <p>110. Subject to the Wildlife Act, any person who violates Sections 105, 106, 107, or 108 of this bylaw, is guilty of an offence and may be charged.</p>	
<p>111. No use of unauthorized fireworks in the park.</p>	<p>\$500.00</p>
<p>LEAVES, GRASS, AND TREES</p> <p>112. Leaseholders are responsible for the clean-up of leaves and grass on their site. Grass cuttings and leaves cannot be dumped in the bushes and must be hauled to the Leaves and Grass dumping area.</p> <p>113. Trees, alive or dead, cannot be removed without board approval. Requests must be submitted in writing prior to any action being taken by the leaseholder.</p> <p>114. The leaseholder may be responsible for costs associated with tree removal.</p> <p>115. If a tree is approved for removal, the leaseholder is responsible to replace that tree with two new trees of an approved size on their site, planted in an open area.</p> <p>GENERAL PROHIBITIONS</p>	

<p>116. The Park Authority may specify or designate any area in the park on which the landing of aircraft or the use of boats or other watercraft shall be prohibited or restricted.</p>	
<p>117.</p> <p>a) No person shall light any outdoor fire in the Park except in a fireplace, barbecue, or receptacle provided for the purpose.</p>	\$50.00
<p>b) In times of high or extreme Fire Hazard, the Park Authority, a Park Officer, Police Officer, or peace Officer may issue a directive that no person shall light any fire of any kind, while the high or extreme fire hazard exists.</p>	
<p>118. No bonfire or other exposed fire shall be kindled to dispose of rubbish in the Park.</p>	\$50.00
<p>119. Any person using any cabin, trailer, tenting or other area shall keep such area in a clean and satisfactory state.</p>	\$100.00
<p>120. Except as may be authorized by the park Authority, in writing, or by an erected sign:</p> <p>a) No person shall tamper with, deface, cut into, write upon or otherwise disfigure or destroy any natural rock formation, soil, tree, timber, bridge, building, seat, landscaping, or any other structure within any area of the Park, including any daily camping area, seasonal/permanent camping area, cottage subdivision, golf course, or beach area.</p> <p>b) No person shall remove, deface, or destroy any notice or sign posted in the Park.</p>	\$500.00
<p>121. No person shall enter or proceed upon grass, lawn, turf, seedbed or other plot or area contrary to a sign or prohibition.</p> <p>122. No person shall use or deposit any foreign material, chemicals, sand, gravel, dirt, pollutants, contaminants, or any other substance in or along the shores of the lake which could pollute, damage or destroy the fish, birds, animals or other wildlife species or the habitat.</p> <p>123. No area of the Park may be used in such a way as to pollute, contaminate or cause other injury to the swimming facilities.</p> <p>124.</p> <p>a) Any person entering a swimming area at any time does so at their own risk.</p>	

<p>b) It is illegal for any person to enter a swimming area between the time of one-half hour after sunset and one-half hour before sunrise.</p> <p>c) Subsection (b) does not apply to any Park Officer, Police Officer, resource Officer, or other personnel who must enter a swimming area in order to carry out their duty.</p>	
<p>125. No person shall engage in the sale of goods, solicitations, or display of any sort within the Park Area, except by the written permission of the Park Authority.</p>	<p>\$250.00</p>
<p>126. Alcohol use is restricted to registered daily, seasonal campsites and cabin owner sites only, and is prohibited in all public areas including on the water, golf course, beaches, boat launch, camp kitchen and roadways.</p>	<p>\$100.00</p>
<p>BUSINESS OPERATIONS</p>	
<p>127. No person shall carry on or be engaged in any business, calling or trade or occupation within the Park except with the written consent of the Park Authority.</p>	
<p>128. No person shall be granted a permit to operate a business within the park unless he/she has first entered into a written agreement with the Park Authority defining the conditions and terms under which he/she will operate.</p>	
<p>129. The Park Authority may, upon the application of an interested person or upon their own motion, cause to be advertised for dispositions the right to operate any business within the Park.</p>	
<p>130. Except in the case of a renewal of an existing agreement or of an operation expected to have gross sales of less than two thousand dollars (\$2,000.00), business opportunities will be publicly advertised for tender in which case the Park Authority may select an operator from among those tendering; providing, however, if no tenders are received or if none are acceptable in the opinion of the Park Authority, they may make such other arrangements as appear justified to enable the business operation to proceed.</p>	
<p>131. The advertisement referred to in Sections 128, and 129, shall be published in such publications as the Park Authority may designate.</p>	
<p>132. The Park Authority may require that any tender specify the percentage of gross revenue from the business operation or other payment which will be payable to the Park Authority and may specify a minimum percentage or other payment which will be considered acceptable.</p>	
<p>133. When a business is to be carried on in premises to be provided by the permittee in the Park, building plans and/or specifications in</p>	

<p>accordance with, but not limited to, the Building Standards Code, the Public Health Act, Electrical Standards Code and Public Accessibility Code, will be submitted for approval to the Park Authority, and such plans and/or specifications will become part of the agreement.</p> <p>134. The right to reject any or all bids and offers shall be reserved by the Park Authority and the money submitted with the bids or offers by the unsuccessful applicants shall be refunded.</p> <p>135. The form of any contracts for operation of a business in the Park issued pursuant to bids or offers shall be determined by the Park Authority.</p> <p>136. Any person carrying on business in the Park shall keep such records as may be required by the Park Authority and make them available for inspection at all reasonable times.</p> <p>137. No agreement shall have the effect of granting to the lessee the exclusive right to carry on a business, calling, trade or occupation in any area of the Park.</p> <p>138. No person or group of persons shall institute charges or fees for functions or special events held within the Park, unless authorized to do so by the Park Authority.</p>	
<p>139. No person shall post or display in the Park, any signs, posters or advertisement other than one approved by an officer in writing.</p>	\$250.00
<p>140. No person shall advertise lotteries or display prizes in connection with draws or contests in the Park without the permission of the Park Authority.</p>	\$250.00
<p>141. Every person using the Park for any purpose whatsoever shall comply with the provisions of all Provincial and Federal Statutes as they may apply, including but not limited to the Parks Act, the Prairie and Forest Fires Act, the Provincial Lands Act, the Forest Act, the Public Health Act, the Highway Traffic Act, the All-Terrain Vehicles Act, the Snowmobile Act, or any succeeding legislation, and in the event of his/her failing to do so, the Park Authority, Park Officer, Police Officer, or Peace Officer may cancel the lease, permit, license or other authority under which the Park is used.</p> <p>142. The Park Authority may suspend the right to exercise the authority granted under any permit, lease or license and prohibit entry into or occupants of any area within the Park during a period of high fire hazard.</p> <p>143. The Park Authority may, in addition to any other penalties, withdraw from any person the privilege of obtaining any further or other permit, lease or license upon his conviction under any provision of the Prairie and Forest Fire Act, the Forest Act, the Provincial Lands Act, the Public Health Act or these regulations.</p>	

144. A person who contravenes any of the provisions of this Bylaw may be expelled from the Park, and the Park Authority, a Park officer, Police Officer or Peace Officer may cancel any permit that person may have which allows entry into and/or use of the Park.

145. The Park Authority may fix any charges not provided by these regulations.

This bylaw shall take effect and come into force on the final passing hereof.
