

### **Anita Leffel**

Dr. Anita Leffel is CEO and Founder of Silver Founder Academy, an organization whose mission is to help the 50+ age group recreate their careers into business owners through resources in education, mentoring and networking. She is a former university professor and dean, and has received awards in teaching excellence during her 15+ years of teaching entrepreneurship. She has taught and mentored hundreds of nascent entrepreneurs in universities, at invited workshops in the US and abroad, in online courses, and face-to-face.

Prior to academia, she worked in non-profit, for-profit, and government entities. Originally from Texas, she now calls herself an encore Californian.

Anita Leffel has owned and launched several businesses.
