

Dan Casey

Dan is the founder of Bridgeriver Advisors. As a best-selling author and speaker, Dan is able to speak nationwide with his no nonsense brand of financial management. And as a pure fiduciary, he stands by his clients with a strict 'no commission' policy on all investment strategies. Dan strives to help clients reach the retirement of their dreams.

He simplifies the financial landscape so clients understand exactly where their money is and how it's effectively working for them with the lowest fees possible. **It's not what you make - it's what you keep!**
