

Erin McHugh

Erin McHugh is an award-winning author of more than two dozen books of popular nonfiction, history, inspiration, humor, and children's books. She is a former publishing industry and advertising executive who started a second career as a bookseller and author in her mid-fifties. Her most recent book, with Emily Luchetti, is *SO WHO'S COUNTING?: The Little Quote Book About Growing Older and Still Kicking Ass*. Erin and Emily are on a mission to help people realize that "Older is getting younger all the time."
