October 2025 • Volume 48, Issue 4

From Your President

Chris Gullick, President

Hello fellow quilters!

Our fiscal year is off to a great start. We have an approved operating budget, a comfortable bank balance, a fascinating slate of up-coming speakers and workshops, a growing membership roster, and a full list of committee chairs. Probably the best news related to committee chairs is that Joyce Hansen has stepped up to chair the 2026 Quilt Show (with help from co-chair Kathy Thomas and past chairs Judy Riley and me). THANK YOU, Joyce!

Isn't that all awesome? This may prove to be our best year yet.

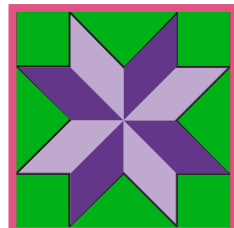

As I stated in last month's newsletter and will probably bore you with repetition this year, I want to focus on the theme of community during my tenure as president and build on our shared interest in fiber arts—quilting in particular—putting aside differences among us. Our Guild was formed on pillars of community, according to our By-laws, to support quilt-making, perform community service, and provide education, fun,

and fellowship. So, introduce yourself to someone new at our next meeting, chat with a new member, and find out something new about someone you know only a little.

I heard an interesting suggestion the other night, that perhaps we should establish a buddy program in our Guild. The need is becoming imperative as a number of our older members are not comfortable driving after dark, but we still want to hold our meetings in the evening because many members still hold down day jobs. If members could be matched by neighborhoods, our non-drivers could get rides from those willing to drive. Something to think about and talk about ... maybe it would need another committee?

I know I just took office, but later this month I'm already off on some travels. Vice President Kelly Knox will be officiating at the next general and Board meetings while I am in Ireland and numerous other places. Meanwhile, happy quilting!

Chris Gullick

Next Meeting

6:30 p.m.
Trinity United Methodist
Church at 285 E 5th St.

Block of the Month Chair Needed

Want a fun way to help our guild, and also get to buy fabric? Block of the Month is currently seeking an individual to head up this volunteer job. You get to design a new block every month! Please contact Chris Gullick or Kelly Knox for more information or to volunteer.

From Your Vice President

Kelly Knox, Vice President

We are inching ever closer to cooler weather and longer nights! Autumn is my favorite season. Our beautiful "City of Trees" turns technicolor, the air holds a crispness and we can return to the comfort of socks and sleeves. As we prepare for all that the end of the year brings, we are afforded more time to stay indoors, with our patterns, fabric and sewing machines.

To help us welcome in a new season we have asked Alana Hope of www.fatstitch.com to speak to us about "Eco Friendly Quilting." Alana's shop, Fat Stitch is a one stop shop for quiltmakers looking for quality natural fibers and non-toxic alternatives. Alana's lecture is titled, "Eco-friendly Quilting." Please join us on Thursday, October 2nd.

Mark your calendars, we welcome Michelle Trimble on November 6th! Michelle's lecture is titled, "Adventures in Improv," which can be liberating and terrifying all at once! Michelle's workshop, "Stunning Improv Sunbursts" is filling

up fast, so contact Jo Schrieber and/or Frieda White to secure your seat!

One last bit of housekeeping. We are still working out the particulars of our new venue and hope that, as they say, the third time will be the charm with getting the floor-plan where we need it. Please do not arrive before 6 p.m. to the meeting. As VP, I am responsible for the speaker's dinner arrangements as well as venue set-up. While time management is not my best attribute, I am also unable to be in two places at once. I am trying, though! Please allow us this time to set the room. It is my promise to each of you that there will be plenty of time during the break for you to visit every committee, get refreshments and catch up with your friends, but only if you agree to a 6 p.m. entry.

See you on the 2nd!

Kelly Knox

Placemats for Meals on Wheels

I have been asked many times about the size of these placemats. When I first took this job over, I measured my own placemats and I found that 13 x 17" to 14 x 18" is a good size. Of course I'll take anything!

Also please remember that these placemats, hopefully, will be used and therefore will be washed. Make sure your fabrics won't run in the wash.

Have any questions, call me at 893-5231 (land line!)
Frances Perata

Small Groups

Betty Volker, Small Group Coordinator

Are you new to Annie's Star Quilt Guild? Would you like to join a small group with other new people?

All levels of sewing skills are welcome. If interested text Betty at 530 588 8918 or email Bettyinchico@gmail.com

Boutique News

Getting ready for the upcoming venues (Eagles Craft Fair Nov. 22, Orland Craft Show Nov. 22 & 23), we need more merchandise for the Boutique! Think Fall and Winter now. We need table runners, placemats, fabric covered rope bowls, holiday gifts, postcards, microwave bowls, hot pads, mug rugs, appliqued dish towels, lined aprons, wine bottle bags, and other gift and decoration ideas for the fall and winter seasons and holidays. We are very busy for the next few months, and we need your help! Also, please sign up to work at the two venues before and after Thanksgiving. Look for the sign-up sheets at the Boutique table at the October and November Guild meetings.

Workshops

Frieda White & Jo Schreiber

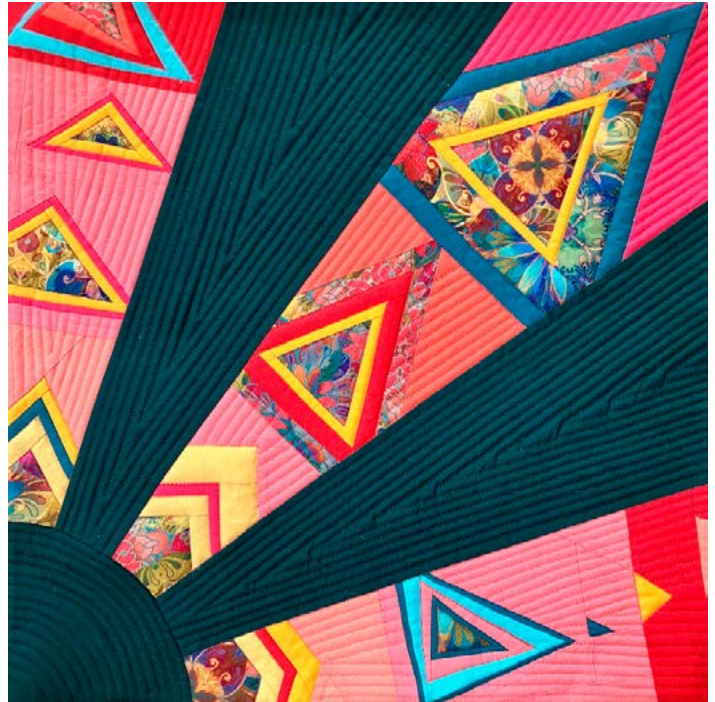

Arlene Arnold didn't fail to impress with her workshop Lucretia's Journey. To see the stunning works that came out of the workshop go to our Facebook page ASQG Workshops.

For our next workshop, we are excited to have Michelle Trimble of Quilting Chemistry present Stunning Improv Sunbursts.

Michelle is a quilter, pattern designer, and educator based in San Francisco with 20 years of teaching experience, including teaching at regional and national conventions. She enjoys experimenting with new techniques, dramatic layouts with bold saturated colors, and adding texture to her quilts with free motion quilting. Her work has been featured in magazines and hung at local and international quilt shows including Houston International Quilt Festival and QuiltCon. You can find out more about her on her website: quiltingchemistry.com.

In this intermediate level workshop, we will explore several different variations of improv triangles and the blocks into a large wedge layout to make a 24" square wall hanging.

The sample is stunning and there is already a lot of

interest in this workshop. The supply list is small and pre-workshop prep is simple. The workshop will be November 8 from 10 a.m. to 4 p.m. at the Ord Bend Community Hall. The fee is \$45.00 for members and \$50.00 for non-members.

Contact or text workshop chairs Jo Schreiber (530)592-9996 or Frieda White (530)519-9448 to sign up, or sign up at the October guild meeting.

ASQG 2026 Quilt Show

Joyce Hansen, Quilt Show

My name is Joyce Hansen. I have volunteered to be the chairperson for our 2026 Quilt Show. For those that have not met me yet, I look forward to making your acquaintance in the near future.

I have lived in Chico since 2021 and have been a member of Annie Star Quilt Guild for about four years. I have been involved with quilting since about 1999. I was a member of guilds in Long Beach, Beaumont, Yucca Valley, and SCCQG. I participated in many committees, including their Quilt Shows and Meet the Teachers.

Since joining ASQG I have met many talented quilters and made some new friends. I have assisted Kathy Thomas with our Community Service Projects and she has agreed to co-chair with me on this upcoming quilt show.

On September 9th I had a meeting with Judy Riley, Chris Gullick, Judy Noble, and Kathy Thomas to discuss the duties of this position. Judy Reiley brought me the binders and boxes of information from the past quilt shows and walked me through the basics. It was a lot of information to say the least! I would especially like to thank Judy Riley for her hard work, knowledge, and excellent organizational skills with the past quilt shows. I've taken on a big job and have lots to learn but I will give it my all.

Thank you to those members that have already signed up for different positions and duties for the upcoming show. We still have a few positions to fill. I would welcome everyone to participate. You will be hearing lots from me in the upcoming year as I hope to hear from you.

If you have any questions, concerns or would like to pitch in and help, please feel free to contact me anytime.

Newsletter Block: Celtic Twist

Due at November Meeting

Block size 16-1/2"

Contact Jeanne Haber with any questions: 530-520-3066

This is the Celtic Twist block. When 4 units come together it makes a 16-1/2 inch block—all straight seams—pretty easy.

Please make 4 units in your choice of 2 shades of one color plus white and complete the big block.
