## From Your President

Kelly Knox, President

Hello friends!

Well, we're off to the races as they say. Just a few short weeks until the The 2024 Harvest of Quilts Show in a new, to us, building! The Quilt Show team has once again made magic and I am so excited to see what they have done. A little birdie told me that there are a record number of quilts to be judged this year, some amazing vendors and golf carts! Don't worry, if you haven't yet signed up to help at the show, you will get your chance at the October meeting. We will be focused on the quilt show, but wait, there's more! Sharon has put together a special little something that I know you will all enjoy.

Before I sign off, I want to thank Jeanne Haber and Sue Juanarena for heading up the Newsletter Block and Refreshments! Our team is growing stronger each day! We may have found a new Property Master as well, more on that after the show. As I write this, I am sitting with all the doors and windows open, air conditioning off, looking at clouds in the sky, breeze in the trees and the promise of autumn drifting through the air. I couldn't be happier. Just the idea that hundred degree days may soon be behind us, makes me giddy with delight. Now I must bid you a fond farewell. Binding calls. See you all on the 3rd.

## A Letter from your Vice President

Sharon Ouimet, Vice President

A letter from your Vice President. The October meeting is shaping up to be an exciting evening. We have a briefing regarding the upcoming quilt show with announcements from some of the various hardworking chairs.

We are also looking forward to seeing a wonderful presentation from one of our best loved small groups. This small group has presented at various guild meetings in the area, and we just had to see what all the fuss was about. Such a talented group here in the Chico area. More in an email blast to come.

Thank you to all the people who contacted me regarding ideas to increase workshop participation! I will try to incorporate your ideas throughout the coming year.

Bring your Show and Tell as well in October. We cannot wait to see what you have been working on.

We are slowly getting used to our new meeting space. The Center for Spiritual Living was kind enough to install extra lighting at our request. I heard that everyone loved being able to see the quilts more clearly.

That's all for now. Happy Quilting! XO, Sharon

**Next Meeting • Thursday,

### Sally is taking a look at NEW MEMBERS!

Sally

**Dianna Wright** is a "GLAMA (her "most cherished job title") to 6 Grandz" who live near her in Durham. Her New Year's resolution is to "HAVE MORE FUN than the previous year." She likes to "pursue connection with like-minded individuals."

"Quilting is the one way I cultivate community and perfect my FUN craft. It brings me pure joy to gift my work." Also, "Travel to distant lands has become a top priority. I say, YES, to any invite to adventure." She extends a "thank you for the genuine warm welcome to ASQG. I'm counting on joining in the fun with y'all!" (I didn't ask if she was from the South, y'all.)

**Rose Fulton** is joining us from Red Bluff. You may know her sister, Beth Carlson, or her mother, Ruth Dunlap who are members of the guild. After 42 years as an Enrolled Agent (tax specialist/preparer), she will be retiring in October! During her career she not only has held offices in the California Society of EAs and taught seminars in Northern California and Japan, but was involved at the national level in Washington DC. She began quilting at age 8 and is passing on the craft to her granddaughters! Yea! We welcome you to our guild, Rose; we're happy to have you join us.

**Karin Martin** "Hello all. My name is Karin Martin, I am a native Chicoan, although lived in Texas and New York State in my adult years. I moved back to Chico after a divorce and have lived here since 2003. I own Chico Quality Alterations and wear all hats of my business. While living in NY, I was introduced to quilting (I had dabbled a bit through my life). I became quite involved in the Dutchess County Quilt Guild, even served as president for a few terms. I love all quilts but prefer making sampler quilts and BOM's because of my limited time. I look forward to getting to know the members of the guild."

**Marion Mohle:** "I was born and raised in Northern California. I attended Calif. State College, Chico, majoring in home economics. After graduation, I married my college sweetheart, Wayne. Over the next 55yrs, we grew as adults, a couple, parents, grandparents, parental caregivers, community members. Now a new era, we moved to Sacramento 5 yrs ago to be closer to our kids.

I joined ASQG in 2005 and with 6 other new members formed the small group, Loose Threads. A perfect decision.

As a guild member, I have served as 1 of 4 VP, newsletter block with Betty Volker, community service continuously and in many capacities in the quilt show.

My growth in quilting has been greatly enhanced by workshops, sew days, quilt friends, participation. I started sewing at age seven, making do with what I had and observed. I am still there, but with exposure to so many new ideas.

Other interests include: road trips, national & State parks, seeing the vast diversity of this country, reading, knitting, sewing, community service outreach. They blend to give me a sense of peace, purpose, perspective. I do believe, good and bad, it truly is a wonderful life.

To all new ASQG members... Reach Out, Grab On, Give, Receive, Grow and enjoy.

Find your spot. Welcome."

Fun for quilters of all levels and quilting interests.

We hope you'll plan to join us.

## Quilt Show Signs

### Visit the Quilt Show Table at Guild

---

- Yard signs will be distributed at the October Guild meeting.
- 8.5" x 11" posters will also be given out at the October meeting. Think of businesses where you can put up a poster – coffee shops, community bulletin boards, display windows, cafes etc.
- There are a few Pathway signs that need a fabric cover. The letters (Quilt Show ->) are all cut out ready to be fused on to the front of the sign. Here's a chance to use some of that fabric you are asking yourself "Why did I buy that?"
- QS chairwomen, please let me know what you want your sign to say.
- Locations are needed to hang our 20 foot Quilt Show banner for about a week at a time starting in October. Please look around for a fence that would work to hang the banner.

## **A Message From The California Heritage Quilt Project**

---

The California Heritage Quilt Project is excited to announce that we have begun the digitization of the California Heritage Quilt Project Documentation/Quilt Days that were held between 1984 and 1986. These holdings consist of over 3,000 thousand individual California quilts that were documented both on paper and in slide photography. This was done over 32 quilt days in 2 years, hosted by local guilds and museums across Northern and Southern California. Their purpose was to find the most historic quilts and present them in a book written by Jean Ray Laury. The book was completed in 1990, the records were archived in 1991 at the Los Angeles County Museum of Art as part of the American Quilt Research Center under guest curator and writer Sandi Fox.

Until the recent revival of the California Heritage Quilt Project in January 2022, these archives containing CHQPs organizing documents, the quilt days registrations and slides, materials relative to Ho For California! Pioneer Women and Their Quilts, have been in deep storage since the early 2000's. CHQP has established good contacts and have been working closely with LACMA in developing a plan for digitization. The records are now permanently at the Balch Art Research Library at LACMA. Appointments are needed to look at the records, but they no longer have to come from deep storage. This is a huge step in making the records available.

Phase 1 of this effort was to determine if the 6000+ slides were viable for converting to jpgs so we have a photo/s of each quilt registered, we now know this is possible and have committed funds to having these photos converted.

Phase 2 will entail scanning all the folders of

registration forms, then matching to the new jpgs for our electronic database. CHQP needs to know and have record of what California quilts have been registered under the project and LACMA would like a more comprehensive Finding Guide (developed in 2006), we are working together to achieve this.

Phase 3 will entail entering these quilts into the Quilt Index as part of the California Heritage Quilt Project.

Digitizing is an expensive endeavor, but our enthusiastic supporters have helped to raise more than half the funds needed to complete the image digitization, we need to reach out and ask for any support in donations that can be made. To date, we have been the benefactor of many guilds where we have presented, American Quilt Study Group - Lucy Hilty Grant 2023, individual donors' enormous generosity, local quilt history groups like Repiecers.

With your help, your generous, tax-deductible donation can be made by clicking the link provided on our website [www.chqp.org](http://www.chqp.org) or you may mail a check made out to CHQP to our PO Box at CHQP PO Box 241, Jurupa Valley, CA 91752. Questions? Email [caheritagequiltproject@gmail.com](mailto:caheritagequiltproject@gmail.com)

CHQP is committed to preserving California's past, present, and future quilt history. With your help, we can make quilt research accessible to everyone.

On June 5, 1985, the CHQP Quilt Day was hosted in Chico by Marian Graham and Pam Herman, with 219 quilts documented.
