SYMPOSIUM PURPOSE AND CORE LEARNING OBJECTIVES

The purpose of the 43rd Annual Winter Symposium includes improving health professional attendee's evidence-based diagnostic/assessment, treatment, knowledge and practice skills specific to reducing and/or eliminating health care provider care gaps and facilitating integrative care related to a broad spectrum of addictive disorders, behavioral health and mental health disorders. Attendees completing the full Symposium will be able to identify 5 or more evidenced-based diagnostic/assessment measures, treatment interventions, practice gap reduction measures and integrative care interventions including psychotherapies, psychosocial treatments, medical and psychotropic care, self-help care and adjunctive care interventions for persons manifesting the broad spectrum of disorders and conditions included in this educational program.

GENERAL INFORMATION

The 43rd Annual Advanced International Winter Symposium is an exciting and fun educational experience held in Colorado Springs, Colorado. Each year this internationally recognized Symposium brings together a distinguished faculty to address the issues of treatment, recovery, and research in the addictions, mental health, and behavioral health fields. Over 1,350 participants attended the 2016 meetings and expo. The Symposium provides intensive, advanced clinical training as well as focused interaction between faculty and participants. The skill building and learning experiences that our faculty provides to attendees each year are truly exceptional.

CANCELLATIONS AND REFUNDS

Registration cancellation will be subject to a \$95.00 fee. All cancellations after January 10, 2017 will be subject to loss of the entire registration fee.

BOOK STORE

MENTOR BOOKS will provide the Symposium Bookstore.
