GENERAL INFORMATION

The 45th Annual Advanced International Winter Symposium is an exciting and fun educational experience held in Colorado Springs, Colorado. Each year this internationally recognized Symposium brings together a distinguished faculty to address the issues of treatment, recovery, and research in the addictions, mental health, and behavioral health fields. Over 1,500 participants attended the 2018 meetings and expo. The Symposium provides intensive, advanced clinical training as well as focused interaction between faculty and participants. The skill building and learning experiences that our faculty provides to attendees each year are truly exceptional.

CANCELLATIONS AND REFUNDS

Registration cancellation will be subject to a \$95.00 fee. All cancellations after January 10, 2019 will be subject to loss of the entire registration fee.

BOOK STORE/BOOK SIGNING

MENTOR BOOKS will provide the
Symposium Bookstore.

Please indicate if you have any need for auxiliary aids or special assistance services.

NOTE: This brochure is based on the best available knowledge at the date of publication. Psychotherapy Associates, P.C. reserves the right to make changes in the dates, times and appearances of speakers as conditions may warrant.
Check the website for program changes. www.cspaws.com

SYMPOSIUM PURPOSE AND CORE LEARNING OBJECTIVES

The purpose of the 45th Annual Winter Symposium includes improving health professional attendee's evidence-based diagnostic/assessment, treatment, knowledge and practice skills specific to reducing and/or eliminating health care provider care gaps and facilitating integrative care related to a broad spectrum of addictive disorders, behavioral health and mental health disorders. Attendees completing the full Symposium will be able to identify 5 or more evidenced-based diagnostic/assessment measures, treatment interventions, practice gap reduction measures and integrative care interventions including psychotherapies, psychosocial treatments, medical and psychotropic care, self-help care and adjunctive care interventions for persons manifesting the broad spectrum of disorders and conditions included in this educational program.
