GENERAL INFORMATION

The 47th Annual Advanced International Winter Symposium is an exciting and fun educational experience held in Colorado Springs, Colorado. Each year this internationally recognized Symposium brings together a distinguished faculty to address the issues of treatment, recovery, and research in the addictions, mental health, and behavioral health fields. Over 1,300 participants attended the 2021 meetings and expo. The Symposium provides intensive, advanced clinical training as well as focused interaction between faculty and participants. The skill building and learning experiences that our faculty provides to attendees each year are truly exceptional.

ACCREDITATION

This Symposium has been approved for 28 hours of Continuing Education Credit by the National Association of Alcoholism and Drug Abuse Counselors (NAADAC), The Association For Addiction Professionals.

Behavioral Health Service Providers can complete this Symposium for Continuing Education Credits. Check with your professional regional, state or national credentialing association. Attendees can complete Ethics Focused Education and Training at the 2022 Winter Symposium.

Please indicate if you have any need for auxiliary aids or special assistance services.

CANCELLATIONS AND REFUNDS

Registration cancellation will be subject to a \$95.00 fee. All cancellations after January 7, 2022 will be subject to loss of the entire registration fee.

NOTE: This brochure is based on the best available knowledge at the date of publication 1.20.22. Psychotherapy Associates, P.C. reserves the right to make changes in the dates, times and appearances of speakers as conditions may warrant.

Check the website for program changes at www.AddictionandMentalHealth.org.

Gary G. Forrest, PhD, EdD ❄️❄️❄️

Clinical Psychologist, Executive Director and Founder of Psychotherapy Associates and the Annual Winter Symposium on Addictive Disorders, Behavioral Health, and Mental Health. Nationally recognized addictions consultant, author, educator, and clinician practicing in Colorado Springs, CO since 1974.

SYMPOSIUM PURPOSE & CORE LEARNING OBJECTIVES

The purpose of the 47th Annual Winter Symposium includes improving health professional attendee's evidence-based diagnostic/assessment, treatment, knowledge and practice skills specific to reducing and/or eliminating health care provider care gaps and facilitating integrative care related to a broad spectrum of addictive disorders, behavioral health and mental health disorders. Attendees completing the full Symposium will be able to identify 5 or more evidenced-based diagnostic/assessment measures, treatment interventions, practice gap reduction measures and integrative care interventions including psychotherapies, psychosocial treatments, medical and psychotropic care, self-help care and adjunctive care interventions for persons manifesting the broad spectrum of disorders and conditions included in this educational program.
