

Carmelina challenges you, to do your very best. She knows we all have a range of untapped hidden strengths to recognize and achieve life goals despite the seeming chaos.

**Opportunity, all too often, accompanies chaos, if only you can see it!**

**Opportunity that is!**

Therein lies your challenge, to question the assumed myths of life in the face of seeming disorder. Whatever your life challenge, with a cleaned, cleared and balanced presence, you can thoughtfully come to discern your path to a better way, tap your inner energy, release your fear and handle it!

Carmelina has an inner wisdom to mentor and inspire your confidence to face the chaos with a passionate perseverance. Getting to know one's self better, is an experience of inner awakening with an open thoughtfulness that affords one an array of spiritual choices with enhanced positive opportunities. Get the help you need, and consider the assistance and guidance of Carmelina's spiritual healing!

A handwritten signature in cursive script, appearing to read "Fern".
