All treehouse bookings are booked on for a maximum of 3 hours. On all treehouse bookings a 10% compulsory service charge is added onto the bill. We do not allow confetti or confetti cannons or any decoration that makes a lot of mess. Reasonable requests will be considered. We provide a flask of tea and coffee (unlimited) and jugs of orange and apple juice, dependant on the size of the group (this is not unlimited). We aim for food to be ready and served within the first hour of your booking and may be ready for your booking time.
