MAKING TRACKS IN THE GAME

DWTS - EST 2020

Welcome to Devon's Wildlife Transport Services, where passion drives every journey.

Born in 2020 from a love for the wild and the open road, DWTS combines expertise in wildlife handling with professional logistics to deliver a service built on trust, precision, and grit.

From moving some of Africa's most incredible species to handling heavy cargo across the country, every job is done with care, efficiency, and the determination to go the extra mile.

OUR SERVICES

Devon's Wildlife Transport Services, offers a complete range of transport and lifting solutions designed to meet the needs of every client. From specialised wildlife relocations to precision rigging, crane hire, and general haulage, our team delivers professional, reliable service built on experience, efficiency, and care.

Wildlife Transport: Specialised transport for wildlife of all sizes, from plains game to large species like buffalo and rhino. With years of field experience, our team ensures each relocation is carried out safely, efficiently, and with the highest standards of animal care.

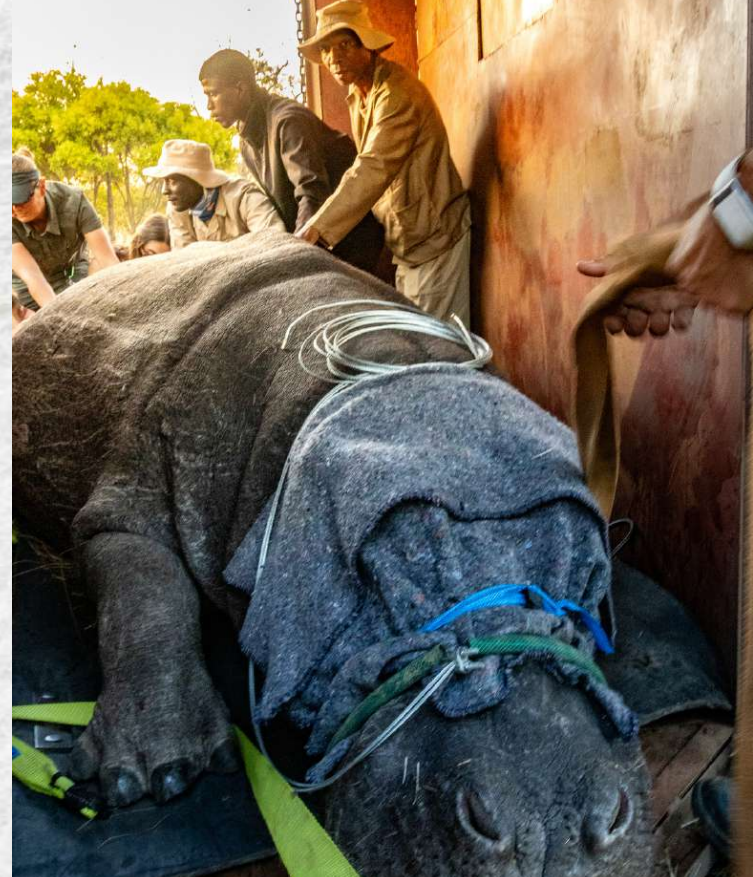

Rigging & Crane Hire: From wildlife crates to heavy machinery, our skilled team ensures every lift is handled safely and with precision. Professional rigging and crane hire you can trust.

General Haulage: Nationwide transport for goods, materials, and large equipment - handled efficiently, professionally, and always on schedule.

EQUIPMENT AND CAPABILITIES

Every relocation is backed by reliable equipment and field-ready solutions. From custom-designed wildlife crates to precision lifting and secure transport setups, our gear is built to handle each job safely and efficiently.

TRUCK	TRAILER
• Volvo FMX 440 sleeper cab with mounted Palfinger PK23500 crane (2.7 tons at 8 m reach). • 6.3 m x 2.5 m steel bed with 800 mm dropsides for secure loading and transport. • Safe operating load capacity: approximately 10 000 kg for all conditions.	• 9 m x 2.5 m flat-deck trailer designed for large wildlife crate configurations. • Safe operating load capacity: approximately 11 000 kg per full setup. • Built for heavy-duty haulage and adaptable transport applications.
WILDLIFE CRATES	ADDITIONAL FEATURES
• Truck fitted with 3 large compartments, convertible into 6 bull splits. • Trailer fitted with 4 large compartments, convertible into 8 bull splits. • Suitable for buffalo, eland, kudu, and various plains game species.	• Crane-assisted loading simplifies buffalo and large-species handling. • 90° truck-trailer linking allows efficient offloading in tight areas. • Purpose-built system ensuring safe, smooth, and professional transport.
