2. **CANCELLATIONS.** If you need to cancel your appointment, be sure to call us at least 24 hours before your scheduled appointment. Otherwise, a \$25.00 fee will apply.

4. **REFERRALS.** If your policy requires written authorization from your primary care physician (PCP), you are responsible for obtaining it. We will request authorization in advance for established patients only. This is done as a courtesy for our patients. However, we cannot guarantee authorization will be granted. Please keep in contact with your primary care physician to ensure your visit is pre-approved to avoid having to make payment in full.
5. **CHANGE OF INFORMATION.** Please provide us with any change regarding your address, phone number or insurance information as soon as possible. Change of insurance will require the completion of a *New Patient Information Form* and may not be changed over the telephone.
