

# THE ANGLICAN CHURCH OF TANZANIA DIOCESE OF SHINYANGA CARE MINISTRY STORIES ABOUT THE USE OF BIKES

## EMILY STEVEN

My name is evangelist Emily Steven. I serve at St John's Parish Old- Shinyanga. I am very grateful to METC [Mission and Evangelism Training Centre] and FOAT for providing me with a bicycle. This bicycle really helps me a lot in my ministry as an evangelist because now I am able to go long distances for services where I have successfully planted a new church called Budilahna.

I have also managed to identify five families with children living with disabilities. Thank you very much FOAT for supporting our ministry.

## **SARAH GALAGALA**

My name is Sarah Galagala Mpemba. I am an Evangelist at Kakola parish. I am very grateful for the bicycle because it has brought changes in my ministry. First, it has helped me to evangelize in remote areas that I could not reach before, secondly it has helped me in visiting families of children living with disabilities in the villages of Mongozo Mwenge and Zunzuli. Thirdly, this bicycle has helped me in carrying various loads.

## **SYLVESTER MATHIAS**

My name is Sylvester Mathias I am an Evangelist at Lubaga parish. I am among the Evangelists who received bicycles from FOAT. This bicycle has helped me in many ways. First of all it has enabled me to reach people on time, to visit patients in Hospitals and also people living in a vulnerable situations. Finally, this bike has enabled me to strengthen the new church at Mwalugaye.

## **JOSEPH SIWALE**

I am Joseph Siwale. I work at St. Stephen's Cathedral. The bicycle has been a great help to me in my ministry especially in enabling me to travel long distances. The bicycle has helped me in planting a new church at Ipeja and Seseko. Also it has helped me in visiting families living with people having disabilities. Up to now I have already identified ten families.
