

OPERATION CREEKSIDE

SUPPORT OUR TROOPS
PRAYER & CARE PACKAGES FOR US TROOPS

PO Box 1758 Discovery Bay, CA 94505

EIN 27-4120860

Dear Community Members and Community Business Leaders,

Operation Creekside is a non-profit organization whose mission is to send *Care, Prayer and Support* packages to our Serving military troops with the purpose of letting our troops know that we stand behind them and that we are so thankful for their service. We also send care packages to Veterans that need a little hope in their life with just a small care package that says we see you and we appreciate you and you are not forgotten.

Since the start of this mission in 2009 approximately 20,000 care packs have been sent out. Packs have been shipped to troops all over the world. Some troops in rehabilitation hospitals and Veterans hospitals here in the states also receive packages.

Each pack contains items such as socks, tee shirts, snack bars, gum, beef jerky, nuts, single powdered drink mixes, playing cards, ball caps, hot chocolate, sunflower seeds, handwritten notes and cards, etc. We hold no big fund raisers for this event. Everything in the packs is donated by businesses, families and individuals like you. Each pack that is sent costs approximately \$75.00 dollars to fill with product and ship. Shipping costs about \$25.00 per pack.

Over the last years Operation Creekside has branched off to work with the organization of 22 Too Many. This part of our mission works with families of the troops that have taken their own lives due to PTSD. Please check out both of these missions on these two websites:

Operationcreekside.org
Trooppack.org

We are reaching out to you to ask you to become a supporter of this great mission. Everything sent out in the packs is done through the generosity of families, individuals and businesses. We hope that you will consider becoming a donor of this community-wide event. It only happens when our community works together as a team. As a team we can do amazing things! There are four easy ways to donate. By check, cash, Venmo or donation of items to ship. Please deliver donations to Brentwood Auto Parts @ 7881 Brentwood Blvd, Brentwood, CA 94513
Any questions please contact me at naparick@sbcglobal.net
God Bless our Troops!

Sincerely,
Linda Wilson
