PTSA PRESIDENT REMARKS

Message from PTSA President

Shifting expectations. Competing priorities. Arguing positions. Endless, lengthy meetings late into the night. More anxiety, increased instability and seeming chaos created trying to reduce anxiety, provide greater stability and order.

Where do we turn to find that constancy and illumination we desperately seek to provide a sense of order and normalcy in our uncertain world.

We find it in each other.

Andrea Edelstein, our awesome PTSA Communications Chair and editor of this eNewsletter, took the initiative and is starting this week a new section called Senior Spotlight featuring a senior who has accomplished or achieved something truly noteworthy...our youth influencing and leading. We encourage you to send us recommendations detailing the why! Take a look at the first senior in the spotlight later in this newsletter!

At the same time, we encourage you to send us recommendations of teachers and school staff who have, or are, accomplishing or achieving something truly noteworthy. Those who are going above and beyond to educate our children. We would love to spotlight them as well.

These are the people who we can turn to and find stability...in what they have done, are doing, and who they are...their character, values and motivations. They are the ones who shine a light and illuminate the way ahead.

Let us know who they are. Help us put the spotlight on them and celebrate them as examples of what will always be good about our community...people of all ages who care.

With appreciation, Bob Gaylord.

SENIOR SPOTLIGHT: Michael Volkman

SENIOR SPOTLIGHT

MICHAEL VOLKMAN

EARNED ALL CURRENT 138 BSA MERIT BADGES!

Did you know that in the 100+ year history of Boy Scouts / BSA less than 500 people have completed every [merit badge](#) that was currently available? Did you know that one of those people is a member of our LBSS Class of '21!?!?

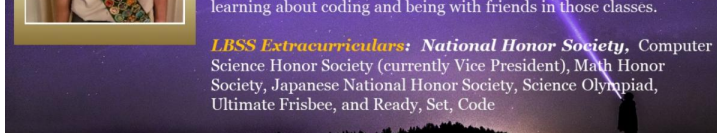

Bruin Senior Spotlight on:

Michael Volkman

My Favorite LBSS Memory is the camaraderie amongst my peers throughout my high school years. Especially now being locked in during the pandemic, I have gained a real appreciation for the time I spent with friends and peers throughout my school years.

My Favorite Class would have to be all of the computer science classes that I took with Ms. Eva Anderson. She is a really great teacher and made the classes fun and I enjoyed the time I spent

This summer, Michael Volkman completed his scuba diving merit badge and in doing so has now completed all 138 currently available BSA merit badges! Michael said, "knowing that it was my final merit badge, completing it gave an extra sense of satisfaction. Scuba diving has been something that I was interested in for a while, and finally being able to complete an open water certification was really fun." His most challenging merit badge was Dog Care. "Being allergic to dogs, I had to limit my interaction with the dogs that I fostered while earning the badge while still ensuring that they received the care that they needed. I was successful at taking care of five different dogs to complete my eight weeks of foster care."

As a Scout in Troop 1346, Michael has held numerous leadership roles and has been a constant inspiration and role model for everyone he comes into contact with. His Scouting accomplishments are unrivaled. He is driven, persistent, and highly motivated and an all around great human being!

The weekend that FCPS closed schools in March was also the weekend that Michael completed his Eagle Scout project. Scouting has provided Michael with so many incredible experiences but his favorite memory is backpacking through the Rocky Mountains at Philmont. "The experience was the most surreal of the high adventures and the most challenging, and I got to learn a lot about myself while out in the Rockies."

Here are just a few of his Scouting highlights.

A graphic with a dark background and a purple glow. The title is "A Few of Michael's Scouting Highlights" in white, with "EARNED ALL 138 CURRENT MERIT BADGES!!" in yellow below it. The list of highlights is in yellow and white text. There are two small photos: one of a person on a horse and another of a person in a blue shirt in front of a tower.

A Few of Michael's Scouting Highlights

- Participated in inaugural session of Okpik-Kupvik: Northern Tier's newest cold weather winter camping program in Michigan*

- Attended 2019 World Jamboree*
- Attended the Transatlantic Council's Camporee in Normandy France Commemorating the 75th Anniversary of D-Day*
- 140 Camping Nights*
- 350 Hiking Miles*

In addition to his Scouting accomplishments, Michael has also been an active member of the Lake Braddock Secondary School community, participating in numerous honor societies and extracurriculars. His favorite classes have been his computer science classes with Ms. Eva Anderson. His advice for underclassmen is simply stated. "Do not take a day off. The world moves too fast to get complacent. Keeping strong study habits in the early years of high school will make the later years significantly easier." When asked who or what inspires him, without hesitation, he credited his parents

asked who or what inspires him, without hesitation, he credited his parents for motivating him to keep working on his goals and for keeping him focused on what matters most in life.

Bruin Senior Spotlight on: *Michael Volkman*

Inspiration: My parents inspire and motivate me to keep working on my goals and continue to stay focused on what matters most in life.

Advice to Underclassmen: Do not take a day off. The world moves too fast to get complacent. Keeping strong study habits in the early years of high school will make the later years significantly easier

Favorite hobbies: Watching baseball/football and playing the piano

Future Ambitions: majoring in computer or electrical engineering at a four-year college, potentially earning a doctorate degree at that college or elsewhere, and having a career working as a computer or electrical engineer for a large corporation

Congratulations, Michael. We know you will continue to accomplish great things in the years ahead.

Do you know of a senior who we should spotlight in a future eNews? Please email [eNews](#) and let us know! Please provide their name and brief explanation about why you think they should be featured, highlighting some of their accomplishments.

We plan to make this a weekly feature so we can all gain inspiration as we get to know the members of our senior class better and celebrate their accomplishments! Special thanks to Michael Volkman for inspiring me and being willing to be the first senior featured in this segment.

AP INFORMATION: Opt Out Forms due by 10/23!

Important Advance Placement Info

HS COUNSELING SERVICES
LAKE BRADDOCK SECONDARY SCHOOL

9200 Burke Lake Road
Burke, Virginia 22015

Dear Lake Braddock Parents/Guardians,

Welcome to the 2020-2021 school year at LB! We've had a school opening like no other, and we are excited by what each of your students bring to our wonderful community! I wanted to take this opportunity share information with you all regarding College Board's Advanced Placement (AP) Program.

As you know, College Board moved to an online platform last school year called AP Classroom. This platform provides online resources to students in the form of progress checks, a question bank of previously released questions, and links to additional resources for more in-depth investigation including videos for each unit topic that are being released throughout the school year. All AP Teachers are enrolled in AP Classroom and have given their students a join code for their course so they can access the materials and be registered for their exams in May. It is required that students be enrolled in the AP Classroom sections for their respective courses, even if they opt out of the exam.

FCPS encourages all students to take AP tests for courses in which they are enrolled. However, students will have the opportunity to opt-out of the test(s) by filling out an Opt-Out form, which will show a report with their previous tests and current AP course enrollment. The Opt-Out forms will be mailed home the week of October 5th and will be DUE by October 23rd. Families may complete the opt-out form process in one of two ways this year: return the opt-out form to the school via postage mail or complete an [opt-out form online](https://bit.ly/2S8Owww) by visiting <https://bit.ly/2S8Owww>. If your student intends to take ALL their scheduled AP exams in May, there is no need to complete an opt-out form.

As part of the FCPS FY 2021 Approved Budget, FCPS is continuing to assess Advanced Placement (AP) test fees. As in previous years, Fairfax County Public Schools will pay for the first six AP Exams for the associated courses of a student's school career. In December 2020, parents/guardians will be billed \$95 for each test that exceed the six FCPS funded tests. Also, students taking AP tests without enrolling in the corresponding FCPS course are responsible for the test fee of \$95.

AP students who register for an AP exam after November 13th will be assessed a \$40 late registration fee by the College Board. AP students will have an opportunity to request to cancel an AP exam at no charge by March 1, 2021.

We will be communicating throughout the year to remind you of due dates. If you have questions about the AP format, processes, or fees please email our AP Testing Team:
