Thank you for placing your trust in Mustang & Ares! Please read over the terms below carefully.

There will be a \$50 inspection fee on each unit that has no description or that you would like for us to inspect.

Inspections are made under our discretion based on functionality, form, & fit. We are not licensed inspectors and we can only *suggest* what we think based on our experience per industry standards.

There will be a \$60 inspection fee on all units if *no* repair is made. The fee includes unloading, opening the unit, inspecting, and rolling the unit back up and into your vehicle.

You are responsible for picking up your unit(s) 14 days after you receive a text or call stating they are ready. Due to liability issues we cannot insure your unit(s) after this time frame. Mustang & Ares is not responsible for damaged or lost units left after 14 days. After 30 days of being stored in our facility there will be a \$20 storage fee **each** day. After 45 days the unit(s) will be considered unclaimed property. If you know you cannot make it within this time frame, please let us know and we will do our best to accommodate you.
