Financials

EIN 32-2451830

CTA Goodman PTO does NOT have its own 501C3, we are essentially a subsidiary of Chandler School Boosters, Inc.

Money Handling

- Children cannot handle money, an adult volunteer will need to be present to support any financial exchange (including electronic payments)
- There must be at least two (2) people to count money at ALL times. Both must sign/initial all materials related to counts, deposits, etc.
- NO money received leaves the campus at any time unless to be deposited by President or Treasurer with pre-filled deposit slip.
- PTO has both a mailbox and locked "ATM" that is used to store financial materials. Things such as the lockbox, check stock, checks received in the mail, etc. should be stored in the ATM until it is accounted for with deposit slips and on its way to the bank. Each new Board should replace the lock.

Cash Box

- Cash box requests can be made in writing to the PTO Board.
- Each box needs to be counted at the start and end of the sales event (or daily if it is to cross multiple days) with a Cash Count Sheet completed/signed by a counter and PTO Board member.
- Completed Cash Count Sheets are left inside the cash box to validate prior to the next sales event.

- All receipts to be provided to Treasurer monthly to reconcile to Statements
- Transactions to be itemized in RunPTO, with receipt attachments monthly to validate/report on monthly withdrawal
- Need to be cancelled upon transition
- Minimize recurring payments to prevent issues during transitions

Budget

- Prior year budget will be shared by Treasurer
- This budget is the basis for planning the coming year
- Budget proposal is to be presented/aligned in first Executive Meeting.

Staff Accounts

- Historically
 - o PTO provided reimbursement for some staff purchases to directly support or incentivize students.
 - o Funding for these has been done through annual Carnival activities where grade levels generated funding through game ticket sales.
 - o Funds were not always available and not available early in the school year.
- 2022-2023

- Funding was incorporated in Check-A-Thon structure to ensure it was available early in the school year.
- Additional funding incentives added in Check-A-Thon based on grade level targets.
- Process changes attempted to have Staff create “PTO Wish Lists” with items that can be vetted by PTO and Goodman Administration to ensure it is appropriate for funding through PTO. Process included in “Templates”

Art Masterpiece

PTO has included a line item to provide supplies to Art Masterpiece. In 2022-2023 proposed to handle via Staff Purchase Process (included in “Templates”)

Annual Audit

What & Why

- The annual audit is an independent verification of the PTO's financial practices. An audit can also highlight ideas for improvements in financial control and reporting. In the PTO world, an audit is a financial review, but the word does not refer to the legal opinion of a professional accounting firm, as is the case in the business world. PTO members, parent volunteers, or a paid professional can complete the PTO's audit.
- Some PTOs define the make-up of their audit committee in their bylaws. Other groups recruit one parent volunteer. In any case, if you have consistently applied good financial controls, your audit should run smoothly and be completed quickly. Your auditors will appreciate organized files, balanced records, and complete data.
- Keep in mind that the people on the audit committee should not include anyone who has check-signing authority for the group or anyone with a relationship that would bias the review process. The people who do the audit do not have to be members of the organization—consider asking former officers. It is usually only a time commitment of a few hours.

Year End Activities

- Prepare a final treasurer’s report that shows the income and expenses for the year, preferably in comparison with the amounts budgeted for the different categories.
- Make sure your records are in order for the audit.
 - At a minimum, you need your check register and the backup for all your entries in it.
 - Meeting minutes from the past year.
 - Current bylaws, along with any standing rules or procedures documents that dictate how financial transactions should be handled.
 - The final audited statement (and filed tax return) from the prior year.
 - Copy of the bank signature cards in effect for the period under review, showing who was authorized to sign checks and how many signatures needed to be on each check.
- Draft a budget for the next year
- Make sure IRS return is completed

Fundraising & Events

- Every fundraiser needs an event form to be completed. Forms are located on the CSB website.
- Event Planning forms need to be completed and approved prior to an event/fundraiser to occur.
- PTO can NOT sign ANY contracts. ALL contracts must be sent to CSB or CUSD depending on the event, and THEY will sign it and send PTO a copy.
- ALL vendors ON CAMPUS require a Certificate of Liability Insurance (Special forms/insurance for Inflatables)
- The CTA Goodman PTO uses the overall Chandler School Boosters EIN for income. When registering/applying for revenue, be sure to include the CTA Goodman Elementary Campus address to ensure that revenue is allocation to CTA Goodman PTO when received in the overall CSB account.
- Event Post Mortems are required to be completed and documented for all activities.

Passive Income Sources

Community Programs are available and require maintenance. Details are summarized online and we are always looking for new and exciting channels.

Active Income

Sponsorships/Advertising

IRS has specific guidelines for how these are defined and handled for tax purposes. See CSB Training and IRS.GOV for information and guidelines.

Corporate: Matches, Volunteer Funding, Donations, Grants, etc.

- Many organizations in the Valley of the Sun will provide donations of funding, and material goods following an application process. (ex. Fry's, Bashas, Costco)
- Parent/Caregiver Employers often have incentive programs to provide funding for Donation Matching, Funding for Volunteer Hours submitted, Grant programs or other opportunities.

PTO Sponsored Fundraiser Events ("-A-Thon's)*

- In addition to smaller opportunities that engage the community (food nights, gator grams, etc.), the PTO sponsors one large Fundraising event annually that provides 80+% of the operating funds for the organization.
- In recent years this has been formatted as a "Check-A-Thon" providing direct donations to the PTO but has been structured as "Read-A-Thon" in prior years. Fundraising fatigue can set in for families so endeavor to stay creative and engaging in choice of "a-thon" types and themes.

Event Checklist

- Event Form
- Authorization Form
- Meeting Proposal
- CUSD Vendor/Form/Approvals/Contracts
- Confer with Comms/Volunteer
- Post Mortem (Event Form)

Committees

Committee/Event Binders

Creating a procedures book involves purchasing a binder for each officer and committee chairperson. Each person three-hole punches printed items pertinent to the job, makes a notation about what it is (when necessary), and places it in the binder. At the end of the year, you have at least a basic reference to help the next person who does that job. Compared with starting from scratch, this simple organizational plan can be a godsend for any new officer.

Year End Activities

- End of Year Committee Summary
- Update Handbook & Committee Books

Orientation

- Ensure each member is provided an up-to-date Committee Handbook
- Review Committee Orientation Checklist to welcome each member and ensure they have tools and information needed to best accomplish their goals
