

FIELD OF STUDY	Education
PROGRAMME TITLE	Assessor Skills Programme
SAQA ID	115753
NQF LEVEL	5
CREDITS	15
METHODOLOGY	Blended learning (online study with virtual classroom facilitation)
PROGRAMME DURATION	Maximum 3 months
WORKPLACE ASSESSMENT	Two days

DESCRIPTION

This skills programme provides candidates with the necessary knowledge and skills to conduct assessment within their fields of subject matter expertise. You can register as an assessor with any / or all 21 SETA's and across a variety of learning programmes as long as you demonstrate subject matter expertise in either formal qualifications or experience.

It is based on the generic assessor unit standard and ensures that candidates can assess their learners' achievement of learning outcomes using pre-designed assessment instruments.

Assessors assess the evidence provided by learners during the learning process to make a competency judgement on the learner's competence.

SCOPE

This skills programme is designed for current or prospective facilitators, educators, trainers, training officers or training administrators.

CAREER FIELDS / FURTHER STUDIES

Successful candidates can pursue careers in the role of an Assessor as they will be able to register with the relevant SETA relating to their field of subject matter expertise.

PROGRAMME OUTLINE

Learning outcome 1: Demonstrate understanding of outcomes-based assessment

Learning outcome 2: Prepare for assessments

Learning outcome 3: Conduct assessments

Learning outcome 4: Provide feedback on assessments

Learning outcome 5: Review assessments

ASSESSMENT AND CERTIFICATION

Candidate portfolios are assessed by a registered assessor before being registered with **ETDP SETA** to receive a statement of results and a certificate of competence from **NewSkills Education**.

The statement of results, together with a CV, showing subject matter expertise must be submitted to the relevant SETA/S to register as a constituent assessor.

PROGRAMME OUTLINE

This skills programme is offered through our online learning platform which is accompanied by online (ZOOM) facilitation sessions. You will mostly work through the learning material on your own, but you will have the support of an assessor whenever you need it.

PROGRAMME FORMAT

Once you have registered and paid the required fee, you will receive your login details via SMS for OnRamp – our online platform. This platform can be accessed from any smartphone, laptop, desktop, or tablet with internet access. You will be able to work offline once you have logged in.

You can work through the content on the online platform, together with the guides that are couriered to you. There will be online facilitation sessions that you may join in and two compulsory sessions in order to meet the programme requirements.

ACCREDITATION

NewSkills Education is accredited by the ETDP SETA. Accreditation number is ETDP 10635.

COURSE FEES

Please contact us if you are interested in registering for this programme. Various payment options are available.
