DESCRIPTION

Learners learn best through collaborative, action learning. The best 'teaching' methodology to use for this type of learning is the method of facilitation.

The Facilitator plays a vital role in ensuring that learning is successful by using a variety of methodologies. The programme is very practical and ensures that the candidates can plan, prepare and present appropriate facilitation skills for learning by using interactive, fun methods.

Candidates are provided with hands-on, modern techniques of engaging our new generation learners. Break free from traditional education and become an expert in new modern education.

SCOPE

This skills programme is designed for current or prospective facilitators, teachers, educators and trainers.

CAREER FIELDS / FURTHER STUDIES

Successful candidates can pursue careers in the role of a Facilitator of Learning within their field of subject matter expertise.

PROGRAMME OUTLINE

Learning outcome 1: Plan and prepare for facilitation

Learning outcome 2: Facilitate learning, including new methodologies for the new generation learner

Learning outcome 3: Evaluate learning and facilitation

ASSESSMENT AND CERTIFICATION

Candidate portfolios are assessed by a registered assessor before being registered with **ETDP SETA** to receive a statement of results and a certificate of competence from **NewSkills Education**.

PROGRAMME OUTLINE

This skills programme is offered through our online learning platform which is accompanied by online (ZOOM) facilitation sessions. You will mostly work through the learning material on your own, but you will have the support of an assessor whenever you need it.

PROGRAMME FORMAT

Once you have registered and paid the required fee, you will receive your login details via SMS for OnRamp – our online platform. This platform can be accessed from any smartphone, laptop, desktop, or tablet with internet access. You will be able to work offline once you have logged in.

You can work through the content on the online platform, together with the guides that are couriered to you. There will be online facilitation sessions that you may join in and two compulsory sessions in order to meet the programme requirements.

ACCREDITATION
