

Prince Rupert Optometry

Look Great. See Better.

Are you ready for your appointment?

Please make sure you read this checklist before your visit to our clinic:

- You have your glasses, contact lens boxes, and medication list.
- You have your face mask (required for anyone over 2 years old)
- You have your sunglasses (your eyes may be dilated)
- You have completed a COVID19 Screening at the link below
 - <https://bc.thrive.health/covid19/en>
- Arrive alone (unless you require a guardian or caregiver)
- Washed your hands and used the bathroom before arrival
- Ensure you are ready for staff instruction for physical distancing in store

For our extensive COVID19 Phase 3 clinic policies, please visit our website at www.ruperteyes.ca

We appreciate your patience and cooperation during this unprecedented transition to the “new norm”

If you have any further questions regarding the appointment process, feel free to email us at info@ruperteyes.ca
