*In essentials, unity.
In non-essentials, liberty.
In all things, love!*

Most of us were taught that God would love us if and when we change. In fact, God loves you so that you can change. What empowers change, what makes you desirous of change is the experience of love. It is that inherent experience of love that becomes the engine of change.

 We say we are
Disciples of Christ,
a movement for *wholeness*
in a *fragmented world*.
Let's be the church
we say we are.
