Praise Reports

Pat's daughter came through surgery very well and is heading home.

Paula Smith's father is improving and expected to go home soon.

Don and Linda are enjoying time with family in Tennessee.

We are almost there! Thank you to everyone who has contributed to the equipment upgrade for the Sanctuary. We have the computers in place and you may have noticed some changes to the stream. We are still waiting for a camera that is on backorder but expected to arrive soon. Thank you for your patience as we work out the inevitable bugs of a new set-up.

Looking Forward

• Wishing everyone a happy and safe Independence Day Weekend

HOW TO PROTECT YOURSELF FROM COVID-19

COVID-19 SYMPTOMS

Stay home if you experience any of these symptoms!

The BCC (DOC) re-entry task force has been hard at work coming up with guidelines to safely return to in person worship for those interested.

We will still be streaming the service also, and encourage anyone who feels their risk is too high, or who is just not comfortable with in-person worship to stay home and gather with us digitally.

Be on the lookout for a email detailing the recommendations that the task force has made, and which have been approved by the Board.

These new procedures will be in place on July 12 when we will offer the opportunity to gather in person once again.
