A Farewell Message from Steve

BCC Family,

Someone said, "love is an all-in thing." I am blessed to be able to always call Brandon Christian Church my family, and to have been able to be "all-in" with all of you.

For me, it did not really matter whether I was attending a Bible study, worshipping with you on Sunday, volunteering with a service project, meeting with church family, or attending one of many meetings, I always felt your overwhelming love. I appreciated your welcome more than you can ever know. BCC is special because it is where all can know God's expansive welcome and feel God's presence by how each of you make belonging to the church and to each other real.

Like everyone, I have no idea what God has planned for me over the next six months. But ... I do know, I take your love with me to Coral Springs. I covet your prayers and I thank you for allowing me to journey with you!

In Christ,

Steve

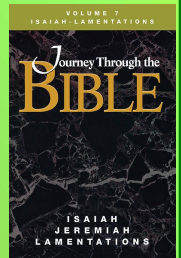

Bible Study guides are in!! If you ordered one they are in the office and have little tags with names on them. If you have not yet paid for yours you may include in a check and note in the memo that how much is for the book. They were \$12.99 a piece, we were able to save S&H. The other option is to make the payment through GivePlus+ in the Christian Education line. Feel free to stop by the office and pick yours up. If you didn't order a book, but would like to participate, let the office know, we have a couple from the church library that we are more than happy to share!

There will be no Bible Study on October 28th, next session will be November 4 at 2:00

While hard to believe, the fact is that November 1st, and All Saints Day are a week from Sunday!

If you would like to have a loved one remembered for All Saints Day please email the office by next Wednesday, November 29. Thanks so much!

Write it Down! Gratitude Journaling

Reverend Day has suggested we do gratitude journaling for November. Gratitude journaling is a wonderful way to reinforce the positive in our lives, the things we are most grateful for. She recommended we start with listing 3 things a day we are grateful for, these can be big things "I am grateful I got the job" or "I am grateful my relatives cancer is in remission" or small "I am grateful for the songbirds I hear out my window" or "I am grateful that my clothes make me feel snappy today."

For more background on Gratitude Journaling check out [this link](#) or [this link](#).

To help you get started I have included a blank template similar to this image that you can print to use for your journal.
