CABIS CALENDAR OF ACTIVITIES

We have a new caregiver program called Ladybug Caregiver Program. We chose the ladybug as it represents protection, healing, and love. We also chose the sunflower as it symbolizes loyalty, friendship, long life, and strength, many attributes of a caregiver.

Alberta Prairies Life Enrichment Training Studio Ltd. (APLETS)

Tracy Lardner, the Executive Director, runs 2 different programs. A support worker course and a skills training course. She became a partner with CABIS in 2020 as well.

The Travelling Brain School

Due to Covid-19 and the uncertainties of school dates, we are still unable to do the Travelling Brain School. We are watching the situation closely. We are also considering doing our program virtually via Zoom.
