Instructions:

Transfer Indemnity is used when the required signatures cannot be obtained from a previous owner(s) to complete a transfer of ownership for a registered Paint Horse. You do need to make an attempt to contract the previous owner(s) by certified mail for their required signatures; if you're unsuccessful, you'll provide the certified mail receipt to ATOA as part of this process. Allow 30 days for the certified mail to be delivered.

If a previous owner responds that he/she is not in agreement for the horse to be transferred, that he/she refuses to sign a transfer, or that there is a dispute of any kind, ATOA will not transfer the horse and this will be considered a civil dispute outside the realm of ATOA authority.

After receipt of all applicable material/fees for the Transfer Indemnity process ATOA will attempt to contact previous owners by certified mail. This can become a lengthy procedure, as ATOA is obliged to contact each in-between owner that is established, and each owner is given at least 30 days to respond.

To proceed with Transfer Indemnity, provide the following material:

1. Completed Transfer Indemnity Agreement. This must be notarized, or you can provide a copy of your Photo ID in lieu of notarization.
2. Prof of ownership (bill of sale, cancelled checks etc.).
3. Detail regarding the horse's ownership history, from the owner of record to the current owner. Include names and addresses of all known parties.
4. Proof of your attempt(s) to contact the owner of record and/or in-between owners for their required signatures on the transfer report.
5. Payment for applicable fees, including the Transfer Indemnity fee and transfer fee.
6. Current photos of the horse, from the left side and right side.
7. The horse's original ATOA or breed registration application or Affidavit for Duplicate Certificate form (and fee).

The indemnity process allows ATOA to update the transfer history without the properly signed transfers based on the documentation that is received and approved by the Registration Review Committee.

Work is done in the order it's received: Rush fee moves your work to the front of the line.

Include the following:

1. Envelope marked "Rush"
2. Daytime phone number
3. Certified funds or a credit card payment

The rush fee will not be refunded. The rush fee provides faster initial processing, but does not impact the time frame allowed for response to ATOA inquiries by involved parties.

All fees required to complete the work will be charged. Any work not processed to completion will be subject to an office process fee.
