Old Business

Grievances

Multiple grievances have been filed for members who we haven't been seen in years because I mean what else would we use the money for.

E-Mail Domain

Recently the board approved to purchase and register a domain for professional purpose with attached email addresses.

Political Action

The association was happy to pour more money into a PR firm to advocate for our members to get nothing in return. We look forward to attending conferences and meetings with nothing to show for it.

Treasurer Report

A verbal report was given by Treasurer Via Phone, via the phone. Anyone wishing to see the books can make a formal request. Treasurer Via Phone also stated they will attach the report with the Official Minutes when it's completed, but in reality, that's not going to happen.

Future & Current Business

Establishing a new fundraising event to support our Scholarship Fund. Suggestions submitted thus far have been – A medical marijuana night / Cornhole / a murder mystery dinner but instead of a murder it's a simple injury but the goal is to see how long you can stay out of work.

Secretary Al Most makes a motion to end the meeting. 2nd by Delegate Nun Ya.

Meeting concluded at 1854 hours.
