

# Kent Island Cruisers Car Club

The Kent Island Cruisers Car Club was formed in 1994 by a group of automobile enthusiasts on Kent Island for the preservation, use and enjoyment of Classic, Antique, and Special Interest vehicles. The club holds events throughout the year, directing monies raised by the event to various charities, community organizations and individuals in need.

Through the years, we have been fortunate to have many businesses and individuals sponsor these events. These sponsorships offset the costs associated with the events, providing us the opportunity to donate all funds raised.

This year we offer **more continual publicity** for our sponsors supporting our 2022 events.

\*NOTE: if you sponsored with us in 2021, your business car ad is still running in our newsletter!

## ~KIC will be hosting, supporting, or assisting with these 2022 events ~
