<b>Originally Offered</b>	<b>12</b>	<b>9</b>	<b>5</b>	<b>4</b>
<b>Eliminated</b>	<b>4</b>	<b>4</b>	<b>1</b>	<b>2</b>
<b>Remaining</b>	<b>8</b>	<b>5</b>	<b>3</b>	<b>2</b>
<b>Notes:</b>				
The list above is pulled from course catalogs and differs from District list recently posted on their website:				
<a href="https://www.seq.org/ABOUT-US/General-Information/Academics-and-Course-Placement/index.html">https://www.seq.org/ABOUT-US/General-Information/Academics-and-Course-Placement/index.html</a>				
- Re-formatted to pull out Honors courses (AS/Honors/ICAP) separately from CTE and college-level courses (AP/IB/DC)				
- Corrected to reflect what's in each school's course catalog (except M-A, not yet published)				
- While ICAP courses at Sequoia are not "considered honors courses" per their catalog, included those courses which were				
(1) noted honors-level in course description or a compression of 2 years and (2) offered in addition to a non-honors level				
District website list:				
- Hasn't been updated to reflect elimination of AS English III Honors @ Carlmont next year				
(which was replaced with Junior-eligibility for AP Lang, previously limited to Seniors)				
- Excluded all honors World Language courses (6)				
- Excluded most honors math courses (5)
