

Lend a Helping Hand

Jesus Statue Giving Appeal

2020

This statue of Jesus has graced Zion's Memorial Garden for over 30 years. Recently, the Memorial Garden Committee determined that the statue's interior was made of wood (not intended for outdoor display) and had succumbed to the elements. It has been removed and will be reduced to ashes and interred in a vacant niche in the garden.

Our intent is to purchase a new fiberglass Jesus statue to watch over Zion's Memorial Garden. The statue will be custom crafted by Demetz Art Studio in Milan, Italy.

The cost for the statue, freight and delivery, and installation is \$4,000. On behalf of the Memorial Garden Committee, \$2,000 has already been contributed toward the total.

For the remainder of 2020, the Memorial Garden Committee is inviting you to "lend a helping hand" toward the purchase of a new Jesus statue.

You may give your contribution (minimum \$50) to the glory of God, or specifically in honor or in memory of a loved one. All contributions at or above \$50 will be included on a plaque of gratitude.
