RECESSIONAL

National Anthem

**O Land of Beauty!
Our country where peace abounds,
Thy children stand free
On the strength of will and love.
With God in all our struggles
Saint Kitts and Nevis be
A Nation bound together
With a common destiny.**

**As stalwarts, we stand
For justice and liberty,
With wisdom and truth
We will serve and honour thee.
No sword nor spear can conquer
for God will sure defend.
His blessings shall forever
To posterity extend.**

School Song

**Principia Non Homines, our emblem ever new,
In this our Basseterre High School, a rock so
firm and true
It anchors us to wisdom, to truth and right
and rule,
With loyal pride we stand beside our worthy
High School**

**And as each day the sun its way across the
heaven winds,
We're blazing out a trail that leads to great
and glorious finds,
With ways of truth and light so bright this
school's our guiding star,
Forever pointing out our goal which lies
beyond us far.**

**As students/teachers of the Basseterre High
together we stand firm,
To fight all ill with iron will from start to end
of term,
With integrity, obedience, our character we
mold.
That we might face life's challenge with a
forefront brave and bold.**

Don't Quit

**When things go wrong as they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low and the debts are high
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest if you must, but don't you quit.**

**Life is strange with its twists and turns
As every one of us sometimes learns
And many a failure comes about
When he might have won had he stuck it out;
Don't give up though the pace seems slow -
You may succeed with another blow.**

**Success is failure turned inside out -
The silver tint of the clouds of doubt,
And you never can tell just how close you are,
It may be near when it seems so far;
So stick to the fight when you're hardest hit -
It's when things seem worst that you must not quit.**

**For all the sad words of tongue or pen
The saddest are these: "It might have been!"**
