

Cropcell K

Product: Cropcell K
Name: Potassium solution (K) 20
RD 506/2013 GROUP 1.1.3 (POTASSIUM)

COMPOSITION:

Determination	Quantity (% p/p)
Potassium (K ₂ O) soluble in water	20.0 % p/p

- Density: 1.25 kg/L
- pH: 12.5-13.5

REGISTRATION NO.: not applicable

FORMULATION: Water soluble liquid

Soluble fraction in 1/100 (w/v) extract (10g/L): 100%

PRESENTATION:

- 5L
- 1000L

CHARACTERISTICS:

Cropcell K is an organic fertilizer based on potassium (20% w/w) indicated to correct potassium deficiencies and to promote fruit swelling and ripening.

It does not contain nitrogen, chlorides or sulfates, thus offering greater stability when mixed with other products and making it perfectly compatible in all types of applications.

Formulated with unicellular microalgae, it improves potassium assimilation and activates the hormonal pathways of ripening.

Determination	Foliar Dosage	Fertigation Dosage
Horticultural crops	200-300 cc/hL, from 2 to 4 applications per season	3-5 L/ha per application from fruit formation onwards. 4 to 6 applications per season with a total of 20-30 L/ha and cycle.
Fruit trees, citrus, grapevine and olive groves	200-400 cc/hL, 2 to 4 applications per season	5-8 L/ha per application from fruit formation onwards. 4 to 6 applications per season with a total of 30-50 L/ha and cycle
Banana and subtropical crops	200-400 cc/hL, from 2 to 4 applications per season	5-8 L/ha per application from fruit formation onwards. From 4 to 6 applications per season with a total of 30-50 L/ha and cycle

Do not mix with products highly concentrated in phosphorus, calcium or extremely alkaline.

Product usable in organic agriculture according to EC Regulation 834/2007 and

889/2008.

Product usable in organic agriculture according to the NOP Regulation (National Organic Program - USDA).

SAFETY PRECAUTIONS:

P102: Keep out of the reach of children.

P270: Do not eat, drink or smoke during use.

Store in a well-ventilated place.

The information contained in this document does not eliminate the recommendation to read the product's label and safety data sheet.
