Ponderings by Pastor JoEllyn...

The Black Dot

One day a professor entered the classroom and asked his students to prepare for a surprise test. They waited anxiously at their desks for the test to begin. The professor handed out the question paper, with the text facing down as usual. Once he handed them out, he asked his students to turn the page over to begin. To everyone's surprise, there were no questions -- just a black dot in the center of the page. The professor seeing the expression on everyone's face, told them the following:

"I want you to write what you see on this page."

The students confused, got started on the inexplicable task. At the end of the class, the professor took all the answer papers and started reading each one of them aloud in front of all the students. All of them with no exceptions, described the black dot,

trying to explain its position in the middle of the sheet. After all had

been read, the classroom remained silent, the professor began to explain.

"I am not going to grade you on this, I just wanted to give you something to think about. No one wrote about the white part of the paper. Everyone focused on the black dot -- and the same happens in our lives. We have a white paper to observe and enjoy, but we always focus on the dark spots. Our life is a gift given to us by God, with love and care, and we always have reasons to celebrate -- nature renewing itself every day, having our friends around us, the job that provides our livelihood, the miracles we see every day. However, we insist on focusing only on the dark spots -- the health issues that bother us, or the lack of money, the complicated relationship with a family member, the mistake we made at work or school, the disappointment with a friend, etc. The dark spots are very small compared to everything we have in our lives, but they are the ones that occupy our minds."

Now take your eyes away from the black spots in your life. Try not to be distracted by specks or spots or dots, but to see around it and through it to all that is good.

Enjoy each one of your blessings, each moment that life gives you. Be happy and approach life with a more

positive attitude. We are what we think!

"Attitude is a little thing that makes a big difference."

Praying You Through, Pastor JoEllyn

Bette's Bits & Bytes:

July 25th marks my 5th year as the church Secretary.. I've learned much, in these 5 years, about the functions of the Church.. I've enjoyed every moment of it.. I find this position very rewarding. I sometimes feel like, in a small way, I am being extensions of Jesus's hands and feet..

I've followed in my Mom, Marian Watnick's footsteps as she was also the Church Secretary.. I think, but not totally certain, she may have been secretary while Herb Wingard, Rev Byrd, Rev Northrup, Ken Mahan, Joe Andrews were the ministers...

What I do remember is going with Mom once in a while when it was time to print bulletins... YIKES! She used a mimeograph machine. She wore old clothes, because you never knew if you would get splashed with that blue ink.. She'd have blue fingers and sometimes a smudge or two of blue on her face somewhere...

I am quite thankful that my job is much easier, because of computers and copy machines...

RPUMC is my home church.. This is where my parents, sister, & I've attended, most of my life, except for a brief 2 or 3 years when I attended Lamb's Chapel. For whatever the reason God called me to go to Lamb's, then he told me to come back here.. Maybe I needed to grow. Learn something elsewhere, to be able to serve in this position now.. But this Church has always been home in my heart... I love this church family...

I've known many of you, which seems like forever, I've really grown close to so many of you since my time here as Administrative Assistant, the fancy title Pastor JoEllyn tells me to use .. Speaking of Pastor, she is great to work for...She has become a wonderful friend & confidant.

You, my church family, here at RPUMC are the best... This is a great place to call HOME!

I thank each of you for your support, fellowship, love & hugs..

I don't know how many more years I have here, but I will take however many God and you will let me stay ..

I am not certain of the dates, but here is a list of Secretaries from 1958 to present & the pastors they served during their time here... If anyone knows the more precise dates, please feel free to pass that info on to me... Maybe it is time to update the Pastors list to include those after Marcia Porters History of RPUMC in 1996.

Other Secretaries:
Charlotte Kitchenmaster,
1958 – 1962 Herb Wingard
Shirl Sater, 1978 - 1984

ADULT SUNDAY SCHOOL

We have finished the Wesley Bible Studies series on Acts, and the study, John The Gospel of Light and Life by Adam Hamilton. We began the new study, "The Women of the Bible Speak" by Shannon Bream, Sunday July 3rd. Led by Pam Dixon.. The women of the Bible lived timeless stories. By examining them, we can understand what it means to be a woman of faith. People unfamiliar with Scripture often assume that women play a small, secondary role in the Bible. But in fact, they were central figures in numerous Biblical tales.

The Women of the Bible Speak outlines the lessons we can take from the valor of Esther, the hope of Hannah, the audacity of Rahab, and the faith of Mary. In broadening each woman's individual story, Shannon offers us a deeper understanding of each, and wisdom and insights that can transform our own lives today.

CHILDRENS SUNDAY SCHOOL

We had good teacher sign up May & June.. We still have July 17 & July 24 that need teachers.. We ask that you prayerfully consider being a teacher for those dates..

They continue using *Faith and Science with Dr. Fizzlebop* It has easy experiments for the children..

Dr. Fizzlebop's desire is to show kids how faith and science connect. Each experiment connects to a devotional that allows kids to go deeper and learn about God's amazing design for everything around them.

Our goal is to have you teach only one Sunday every other month.. We ask that you prayerfully consider being a teacher..

Malinda Lutz, wishes to thank everyone for the cards that are sent her throughout the year and for the newsletters... She appreciates it so much...

From the family of Burt Mickleson, Rose Lenig's Brother.

My Family & I want to thank you so much for allowing us to use part of your church for the gathering to celebrate Burt Mickleson's life.. Thank you, Karen Mickelson

The June 14, 2022 UMW meeting began in prayer given

by Rose and was followed by reading our UMW purpose together. We, as always, had food! We acknowledged 2 donations given to the group, one for a funeral dinner and the other for Upper Room.

Cares and concerns are always part of our get-together and we weren't short on both of them. Iva told us that there had been a wonderful flag day ceremony at our local VFW. It is celebrated each year at the local post and the ceremony is beautiful. This is a place to bring tattered or worn flags to be burned. Penny also told us about the fantastic parade Three Oaks, Mi has each year to celebrate flag day. There were 108 units including her family!

The day happened to be a sad time for Pastor's daughter's family due to losing a pet. Their young dog, Oscar, died after eating a fast-food nugget (won't say the place but we all know nuggets!). They are checking into what exactly caused the death of their pet! Those of us that have pets know the pain of losing one of our precious companions.

Joyce's sister had been in the hospital due to an infection caused by a dog scratch.

Myrna was at our meeting and it was great to see her up and moving. Pam told us her rehab plans and updated us on the family. Myrna also told us about how she felt the Holy Spirit throughout her falling and now her rehab. God is Good!

Deb gave us the treasurers report and stated she had gotten paper products that were needed. We approved paying the remaining apportionments for Missions and Mission U. Penny will check on the backpacks for school closer to fall, to find out what might be needed.

Euchre night was put on the calendar for November 5, 2022. We will finalize plans within the next month or 2.

Myrna read our prayer calendar. So many women throughout the world share some of the same problems as women right in the United States. Our group tries to help with needs of women in the world. Sometimes it seems overwhelming but even small ideas and events might change lives! Rose had our program which was looking at nature and being as one. Nature is showing us the newness of God each and every day! Nights, when it is dark leads to beautiful mornings with light, sunshine, new blooms on plants, and birds chirping. God shows us that resurrection is continuing! Rose would like us to think about what is good in our community and somehow get the community interested in new and exciting events that might pull others to not only the community, but also the church. We have so many great events in the local area but we need to come up with a new, catchy idea! Penny is receiving a case of toothbrushes from her dentist to donate to "Phil's Friends". We will color some of the cards they use in their boxes at a meeting and then get them back to their group. Next month's meeting is July 12, 2022 @ 9:30 am. Deborah Wordinger is hostess (She wasn't aware until we told her that she had signed up in October of last year! Hopefully we didn't scare her off!) Myrna has the program for the meeting. We hope to see you there! We are saving you a seat! Cheryl Lenig RPUMW secretary

Have you ever been on Vacation?

Everyone needs time away to relax and have fun, right? I have a suitcase here...

Do you think you could help me come up with a list so I don't forget anything to take on vacation.

Clothes,
Hair Products,
Comfortable shoes
Sandals for the beach,
Swimsuit,
Camera,
a book, so in case get bored..
Money for food & souvenirs..

Anything else I may have forgotten? I want to make sure I have everything I might need on the trip..

What kind of things do you pack when you go on vacation or camping..

Sometimes we pack so much to take, it feels like we're not really "getting away from it all"- We are taking it all with us?

The Bible tell us that Jesus appointed 72 of His followers and sent them out, two-by-two, to go into every town and place where he was about to go..

Do you know what Jesus told them to take with them?

NOTHING! Can you imagine?
NOTHING!

Jesus said to them "Go!" Then He went on to say, "Do not even take a purse, or a bag, or a pair of sandals."

Why would Jesus tell them to leave everything behind? I think it's because none of that stuff could help them share the good news the way only Jesus could.

Just as Jesus sent out 72 people, He wants you and me to go to people today and share the good news about Jesus. We don't need to pack anything special; we can just go as we are and obey Jesus. Jesus loves us and He loves our friends. The results of us telling others about Jesus doesn't depend on upon us. We should not become proud when people receive the message and we should not be discouraged when they reject the message. Jesus tells us just to go and tell others and leave the rest to Him!

Dear Jesus, may we be ready and willing to go when You say, "GO!" and leave the results up to You.... AMEN,,
