About Bright Young Minds Tuition Centre

We have been providing personalised academic support since 2015, working with learners from Grade R to Matric. Our focus is on structured, individualised programmes that address each child's specific strengths and areas of difficulty.

Before enrolment, we conduct an academic assessment so that we can place your child on a customised learning plan. Progress is monitored continuously and programmes are adjusted as needed.

Subjects & Programmes Offered

We offer support in:

- Primary School Mathematics
- High School Mathematics
- English Early Reading (for non-readers or beginners)
- English Reading & Comprehension
- English Language
- Afrikaans Reading
- Afrikaans Language
- Remedial Lessons (Grade R–12)

Our lessons combine written activities, concept explanation, and computer-based reinforcement to build confidence and strengthen foundational understanding.

Afternoon Study / Aftercare Programme

We also offer a structured Afternoon Study programme for learners who need support after school Mondays to Fridays. Unlike many aftercare centres that only supervise homework, ***our tutors provide real academic support.***

Our programme includes:

- Genuine **homework assistance** from qualified tutors
- One **remedial subject included** (valued at R1195 per month)
- Help with **projects, speeches, exam preparation**, notes and practice tests
- Access to our **Study Skills Course** FREE of charge (worth R1250)
- **Small groups** with a **maximum of 10** students per **qualified tutor**

Aftercare Fees:

- R200 registration
- R2200 per month
- **R1995** per month on our **discounted direct debit contract**

The goal of the programme is not just to complete homework, but to ensure that learners understand their work and develop the skills needed to study independently.
