Text Messaging Privacy Policy

We are committed to respecting the privacy and security of texting participants' personal information. This Privacy Policy is designed to provide transparency regarding the collection, use, and sharing of information within our texting membership.

What information do we collect? We collect basic contact details and any preferences you choose to share to facilitate effective communication within our texting membership.

How do we use your information? The primary purpose of collecting member information is to enhance engagement, provide relevant updates, and foster a sense of community within our organization.

Will your information be shared? We do not share or sell your information for marketing or any other purposes outside of communicating important updates or information about our organization; it will be kept private.

Will your information be secure? We employ industry-standard security measures, including encryption, to protect member information from unauthorized access, disclosure, alteration, or destruction.
