

Because it's TABOO

Words & Music
By Johnny Reed

I've been playin' on the dark side of Life
A place where you hide your conscience
I've been walkin' on the wrong side of the street
You never trust anyone you meet

They say it's something I shouldn't do
But I do, but I do
Because it's TABOO

You change your name, and I change mine
It's just an Illusion, it's just a fraction of time
There's thunder (it's Taboo) & lightning (it's Taboo) all around me
I'm always livin' in a storm

They say it's something I shouldn't do
But I do, but I do
Because it's TABOO

Oh, I don't care what happens next, I'm a hollow man
Well I'm lost inside the music, I don't care about the band

They tell me there're things I shouldn't reach for, searching for the truth
I Feel like I'm walkin' around in, someone else's shoes
I left my mine by the door, they don't fit me anymore

There are things I know I shouldn't do
But I do, but I do
Because it's TABOO
