

Play it Forward

**Words & Music
By Johnny Reed**

If I've got music locked up in my vault
And I don't share well, then it's all my fault

I've got to play it forward
Yeah, I've got to play it forward, I've got to play it forward

I've got all these songs racing through my head
But it'll all be lost if I wake up dead

I've got to let it out, I've got to let it go
It's got to reach a higher ground, let somebody know

I've got to play it forward
play it forward, play it forward, play it forward
