

Alternate Reality 7

THE SONGS

1. **PLAY IT FORWARD**

I need to share my music, not leave it locked in a vault, I've got to let it out.

2. **KNOW MY SOUL**

I understand who I am, I've got a fire under my skin, my alternate reality is the real me.

3. **WHERE YOUR HEART LIVES**

Everyone needs to stop and remember what they really love & make it important in their life.

4. **BECAUSE IT'S TABOO**

Doing things because they are forbidden, the wrong places and people, just because it's Taboo.

5. **YOUR THOUGHTS**

You can create your alternate reality within your mind. Your thoughts control your experiences.

6. **IN A GAME**

Escape to an alternate reality in a video game, assume an avatar, find love in a digital way.

7. **DOUBLE LIFE**

Living an alternate reality through the bright-eyed positive thoughts of a child, my son.

8. **SECRET DESIRES**

Living an alternate reality through the extreme expression of whips & chains, masks & leather.

9. **WILL THEY BE LOST**

My art is the creation of my music, the extension of my life, but will it just fade away when I do.
